BOSCO HOUSE NEWSLETTER

Issue 3 28 September 2018

Winners of the annual Care Group Cup competition B4. Awesome spirite effort all term!

Cliffhanger!!! B4 Win The Care Group Cup by 1 Point!!!

Term 3 has been an eventful, fun filled termed with 'lots' of things happening in and out of the College that your child has had a chance to be a part of. During term 3 in the Bosco House we held our annual Care Group Cup competition which creates a fun, slightly competitive spirit between all our care groups. Competitions range from decorating care group rooms, quizzes, team building activities, fundraising for the "Shoe Box of Larry Love" (giving gifts for the less fortunate children of our world as part of the Operation Christmas Child program), photo competitions (these photos are on the last page of this newsletter) and for "Sneaky" points for anything 'good' Bosco House students did in our community.

Our new segment for this year's Care Group Cup was called the "Sneaky Care Group Cup Points". On the following page you will see a list of 'Sneaky Point' recipients from Bosco House students for anything that was classed as 'good' during the term. The examples you will see include doing 'good' things across several areas including academic achievements, sporting performances, animal handling and volunteering services.

On behalf of all Bosco House staff, we wish all students and families a safe, restful and enjoyable holiday break and we all look forward to seeing you again in term 4.

Greg Phillips - Bosco House Leader

Farewell Mrs Janet Haskett

This term we said farewell to one of Bosco's most experienced and professional teachers. Mrs Janet Haskett has taught at St Marks since 1986, primarily as a Home Economics teacher but has also performed roles as high as a Deputy Principal. During term 4 this year she will be enjoying a well-deserved long service leave holiday travelling throughout Europe. One of the many highlights she will experience is attending a cooking school in Paris.

From all students and staff in the Bosco House we wish her the best of luck as she journey's into a new chapter of her life. Thanks again for everything you have done as a valued member of the Bosco House for so long.

Care Group Cup

This year's annual 'Care Group Cup' competition was a very spirited event with the leader board constantly changing. All term the leader board continually was changing based on all the various activities and it was not until the final day until the eventual winner emerged. Overall, B4 was the overall winner over a gallant B6 and showed tremendous Bosco House spirit as an entire care group to take out the chocolates and now will be able to proudly display the winning cup in their Care Group room for 12 months. Well done B4!
