Marcus is confirmed by Bishop Greg with the support of his sponsor Peter

Confirmation inspires and the Feast Day connects. The Receptions pamper and we begin Catholic Education Week.

Confirmation

The Year 7s gathered for the Sacrament of Confirmation last Sunday. It was a beautiful service, rich in symbol and ritual. The families had arrived in big numbers and the Cathedral was packed. The Bishop welcomed us and seemed so deeply caring of the students. We all responded to his warmth and sincerity. He offered us challenge, insight and recognised each child individually. He gave them a chance for a profound sacramental moment. It lasted quite a while and at one stage, a grandfather sitting behind me whispered over the pew "This is like the Royal Wedding". "Not quite as expensive," I replied. We both smiled because we were responding to the dignity and cohesion, the truly beautiful moment of sacredness, because a child, his grandchild, and so many more, inspire as they kneel with closed eyes in faith or as they stand and call out a name of a Saint to us in the congregation. These young people announced a commitment, either with a sponsor standing next to them, or by holding a candle dripping wax or by explaining the significance of a Saint. And they were connecting with a deep part of our Church legacy. These young people stood for goodness like the apostles on Pentecost Sunday.

The parents and grandparents were proud and squashed into the pews and there was a moment when they stood as individual families and placed their hands on shoulders in support of the candidate. By their presence, by that touch, they affirmed a choice of faith. They became for the children, the certainty of love. Physically, strongly, families made love come alive and helped define what Confirmation could become.

After two and half hours we felt richer and more connected. A sponsor, had publically placed a hand on a shoulder in support and a gift of the Holy Spirit had been expressed in the sacredness of the music. Teachers had shuffled and organised. Families were united, either physically squeezed into the pews or profoundly touched by the moment. A Bishop had preached and Mrs Katie Pole had stage managed and directed. Certainly, there was majesty and mystery. We all felt very grateful. My 'end of service' thank you speech was edited to 45 seconds much to everyone's relief. "It was okay" said a Grade Two to me at school the next day. "But why does everyone always have to talk about Jesus?" I smiled and thought 'because moments like these are the great gift of life and "living it to the full" as Jesus had encouraged'.

Whole School Mass

The College gathers as a whole group every year to acclaim Mary Help of Christians. It is a Salesian tradition and a day of festivity. There is prayer, food, fun together, music and games. The whole school gathers in the Good Samaritan Hall for Mass after recess.

This year Salesian priest Fr Brian Ahern, from the Gawler parish and Xavier College, travelled up to concelebrate with our Chaplain Fr Francis and Fr Harold. Fr Brian was very keen to express Salesian connection with us and we shared with Fr Brian a sense of trust in Don Bosco; we shared a sense of faith as well as fun, friendship and that special Salesian quality of seeing the best in each other. That Fr Brian was in attendance meant that he wanted to help us understand this Salesian tradition. He shared with us Salesian hope, Salesian spirit. The mystery of our calling was a theme and we also celebrated the mystery and joy of motherhood. At St Mark's, there is always a special energy and rousing chorus in being together. I was proud that we could gather and respond so well to the dignity of liturgy. Fr Brian shared our Mass with and what emerged was a cohesiveness in sacredness. In fact, our young people responded and hands were clapping and there were smiles

Sunday 20 May, 7.30pm

The oldest and youngest of our Bosco House at Feast Day

and bouncing enthusiasm at the end because young people's faithfulness is heartfelt.

Gathering and having fun together is something that we treasure. It is a belief shared by Don Bosco and our visitor Fr Brian, a belief shared by our Church, and a belief we expressed that day. What followed our Mass was an exuberant spirit of play. A sausage sizzle followed; fresh bread, plenty of sauce and 45 minutes for the junior and senior students to mix and relax. There were games of chasey, wandering and chatting. There was a concert in the hall and the big kids patiently played with the little ones and there was a teeming movement of St Mark's students at the Benedict playground. Hundreds flooded onto the oval for relay races. We had laughter and energy and balls flying all over the place. We finished tired from the effort and happy in the unity. Probably none was quite as fatigued as Mrs Katie Pole who had orchestrated the whole event. This was Salesian celebration.

Mother's Day Pampering

Just before Mother's Day, our Receptions invited their mothers into the Magdalen Centre for some pampering. It was a Friday afternoon and a pampering centre had been set up. There were little shoulder massages, hair styling, a facial where some cut cucumber circles were put on mums eyes to relax them for their facial masks. Nails were polished in a range of colours and make up was inexpertly applied. Even macaroni necklaces were created as a gift. I believe that the Receptions didn't worry too much about refreshing cucumbers on different mums eyes and mums just shared them. That nail polish apparently can be tricky and hair styling needs practice. I am told that the outbreak of conjunctivitis is over and the nail polish has been removed from the clothes. No issues with digestion of uncooked macaroni are apparent and mothers have stopped laughing as hair styles are repaired.

I am delighted that the Reception teachers created that experience. It was loving and innocent. There was generosity and excitement. There was connection, physical touching and care, tenderness and consideration. There is nothing more powerful to rejoice in than that relationship between a mother and a child. It is the great source of life and love. Well done Receptions. Well survived mums.

Greg Hay, **Principal**

A Message from our Bishop

Memorandum to the Faithful of the Diocese of Port Pirie and to our Brothers and Sisters in the Archdiocese of Adelaide

Dear Brothers & Sisters

My heart goes out to all of you upon the news of the verdict given in Archbishop Wilson's trial. It would be fair to say that for most of us it came as a complete surprise as to what we anticipated.

Certainly, the Archbishop was very positive about the likely outcome just a day or so before the verdict. One can only imagine how devastating this verdict must be to one who was so confident in his protestations of innocence. My faith in the Archbishop and his word is not shaken by this outcome. We should all pray for his strength.

We pray at the same time for survivors for the harm inflicted by Church personnel. We have taken too long to acknowledge our need to care for survivors. All sorts of good people have become entangled in these outcomes.

Let us pray for Archbishop Wilson and for all survivors. Let us pray that our Church through its good men and women and their faithfulness will continue to show forth the face of Christ, in all its pain and grace.

In Him
+ Gregory O'Kelly SJ,
Bishop of the Diocese of Port Pirie

Religious Education

From the APRIM

Confirmation
Last Sunday 42 young people made a firm commitment in their journey of understanding the mystery of our Catholic Faith. The ceremony celebrated each child and gave the community a wonderful opportunity to show great support to them as they celebrated this significant sacrament.

Feast Day
Yesterday we celebrated our annual R-12 Mary Help of Christians Feast Day and Activities Afternoon. It is a wonderful community celebration. I would like to thank Fr Brian Ahern SDB (from the Gawler Salesian community) and our parish priests Fr Francis and Fr Harold for joining us to celebrate a Saint who is so important to our country and Salesian tradition.

Catholic Education Week Commences
This Friday we commence a week of recognising our distinctive Mission as Catholic schools. Details of events have been communicated to each Campus during the week. Please note that Benedict Campus will have their Casual Clothes day on Wednesday 30/5 and Bosco Campus will have theirs on Friday 1/6.

Sorry Day Prayer
God of all creation,
We who have come from every land give thanks for Australia;
This earth that feeds us; The shores that bind us;
The skies that envelop us in freedom.
We stand together, united as one people; Proud of our ability to work together;
Grateful for our gifts; Nourished by our diversity and our harmony.
Yet we turn to the original owners of our land, and see, too, what has been taken from them.
We weep for their loss of freedom, of country, of children - even of their very lives.
We stand in awe at their survival and in debt for their land.
We have shadows in our history which if unfaced diminish us.
We have taken without asking; our nation has taken without asking; Lives are wounded.
We see the pain, feel the sorrow and we say sorry.
Let us look back with courage, see the truth and speak it.
Let us look around with compassion; see the cost and share it.
Let us look forward with hope; see what can be and create it.
Give us courage to face the 'truth' Compassion to share the burden - Strength to play our part in the healing - And hope to walk forward to a place of justice.

Katie Pole, **APRIM**

Catholic Education Week: 25 May – 1 June 2018
We work together with great hope supporting all children to be thriving people, capable learners, leaders for the world God desires.
I extend my gratitude and best wishes to all who share in partnership with Catholic schools throughout the Diocese of Port Pirie as we unite in celebration of Catholic Education Week. I welcome everyone to join with your local school for the liturgies and other activities being held during this week.

This week provides a time for joyfully reflecting upon, honouring and sharing what we know deeply – that Catholic Education in each of our schools and across our state makes a significant difference to the lives of all those who are connected in any way with our Catholic schools. Education and formation in faith and learning has an extraordinary influence over who we are as individuals, in our families' lives and in our towns and regions.

This year Catholic Education week coincides with National Reconciliation Week, providing an opportunity for us to celebrate the contributions of Aboriginal and Torres Strait Islander people in our schools and town communities, and our ongoing commitment to justice and peace through reconciliation action, understanding and prayer.

In Mark's Gospel this week we heard that Jesus "took a child, and put him in the midst of them" (9:36). He used the child as an example for us all: full of wonder, awe, peace, gentleness and acceptance. In this spirit, and with children at the centre of all we do, I wish everyone a happy Catholic Education Week!

Nichii Mardon, **Director of Catholic Education in the Port Pirie Diocese**

R - Year 6 Mass Catholic Education Week
Friday 1 June
St Mark's Cathedral
All Welcome

From the Deputy Principal

The Little Lions and their Year 6 Buddies were excited to visit McNally Farm

Farewell and Good Luck Lauren!
Last week we unexpectedly farewelled Mrs Lauren Cable for the time being as she prepares for the newest addition to her family. We send our best wishes and prayers to Lauren, Richie and Jameson for the safe arrival of Baby Cable. 3 Red have been in great hands with Miss Abbey Arbon, and will meet their new teacher very soon.

Welcome to the Bishop Family
This term also saw the Bishop family join our Benedict community. Ava, Paige and William have settled into Year 5, Year 3 and Year 1 respectively. We really hope you and your family enjoy your time at St Mark's and feel like part of our family.

Volunteers Week
We are so fortunate at St Mark's to have many wonderful volunteers. We are so grateful for your contribution to our College! As we celebrate National Volunteers Week, it is fitting that we acknowledge the generosity of Mrs Mary Higginbottom. 2018 is Mary's 10th year as a daily volunteer with our LAP Program. We are so grateful for the commitment of Mary to LAP and for the countless hours she has joyfully spent with our students. Thank you from the bottom of our hearts Mary!

Winter Uniforms
Thank you all for your support with the change-over to winter uniforms amidst some challenges and I ask you to continue to support the Uniform Policy which you agreed to upon enrolment. I have noted that some finer details are not in the Uniform Guidelines but are clearly stated in the Uniform Policy so please refer to the Uniform Policy when deciding on hair-cuts, earrings, sports socks etc. The Guideline brochure will be updated soon. Both the Policy and Guidelines are available on the website.

Benedict Car Park
Our recently resurfaced carpark is always busy so please adhere to the 10 km speed limit and guidelines for safe use:

- 10 kms at all times whilst in the carpark and 25 kms upon entering and leaving the carpark
- cars have right of way when entering and exiting the carpark over pedestrians so the traffic does not bank up on Wandearah Road and the buses can enter and leave according to their timetable
- students are not to walk through the carpark unless accompanied by an adult
- the drop off/pick up zone is the only allocated area for the stopping of your car and picking up of a student – please drive through to the designated area where the teachers are
- if using the drop off/pick-up zone, adults shouldn't be exiting their cars and walking students anywhere, if you need to do this please park in a car space

Unfortunately, some of these guidelines may not be convenient for you personally but I ask you to consider the safety of all students and families when utilising this facility.

Little Lions visit the Farm
Speaking of facilities, the Semester 1 Little Lions recently visited our Ag Centre and Ms Teresa Gadaleta shares with us about the visit:

In the Little Lion's Room we have been reading books about farms and animals. We created a farm table for our play. On the farm table we have farm books, grass, grains, silos, pigs, sheep, horses, farm dogs and farmers. We made farm animal noises when we played and read stories and Hudson showed us how to make a sheep, cow and rooster noise. Max told us about his farm animals, header, seeder and silos and Indiana told us about her pet Lamby that she feeds milk from a special bottle.

Friday was very exciting as we ventured over the paddock with our Year 6 Buddies to see the real farm animals. Mr Brian Hayes showed us the goats, cattle and sheep at the school farm. Our own Little Lion Max taught us about the farm machinery we saw because he has the same machinery at home on his farm. We had the best time and we really hope we can go back when the piglets arrive!

Melissa Gadaleta,
Deputy Principal, Benedict Campus

Benedict Campus

Reception Excursion

Last Friday was a full day of beach exploration, bus rides and feeding farm animals for our Reception students. A great day of learning and fun!

Miller found some shells on the beach

Leila and Brielle loved the bus ride

Our Receptions had lots of fun feeding and petting the animals at Redwing Farmstay

Olivia, Alex and Alyssa playing Twister

Eddie feeding the donkey

Luca loved the farm machinery

A not-so-serious game of cards!

Parker on the playground boat

Saesha and Brayden play in the sand

Sarim and Beau battle it out

Games Club

This term students in Year 6 have started a Games Club in the Library every Wednesday at lunchtime. It is a place where people get to play board and card games with each other. It is a great place to come to get to know new people. The first week had an amazing turnout and we hope that this will continue or even grow some more.

The club is for students from Year 3 to 6. Games like Cluedo, Uno, Battleship, Connect 4 and Chess were among the games played in the first week. Students can bring their own from home, but they are their responsibility.

Well done to the organising committee- Abbas, Leo, Angus, Eric, James and Zach!

Benedict Campus

Little Lions Farm Visit

Erin loved seeing the sheep and lambs

Hudson and Max with buddies, Dekota and Isabella

Emersyn and Amahli look at the cattle

Riley loved the farm!

Mother's Day Pamper

Our Receptions put on a relaxing afternoon of pampering for their Mum's or special women in their lives.

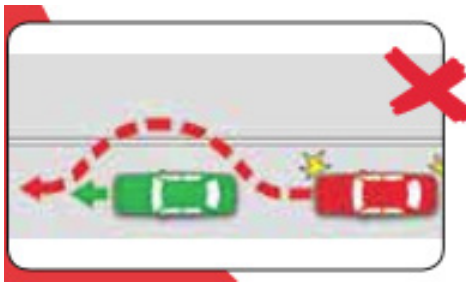
Jobie and his Mum Amanda

Lisa and Jade enjoy their facial by Eddie

Rahdy and Bronwyn enjoyed the day

Luca and Archie pampered their mums

Important Reminders for Benedict Carpark



Please be aware the same road rules apply in our carpark as they do on government roads. Vehicles are not permitted to overtake another car whilst in the Drop Off/Pick Up Zone, this is a continuous white line as on a highway road.

All traffic in the Drop Off/ Pick Up Zone roadway must turn left onto Drage Street, you are not permitted to turn right as this crosses over the single continuous white line. There is a clear turn left arrow on the roadway to signal this.

Similarly all vehicles in the right lane coming from a car park must turn right onto Drage Street, you cannot cross a single continuous white line.

Please be aware of traffic build up during the morning Drop Off run.

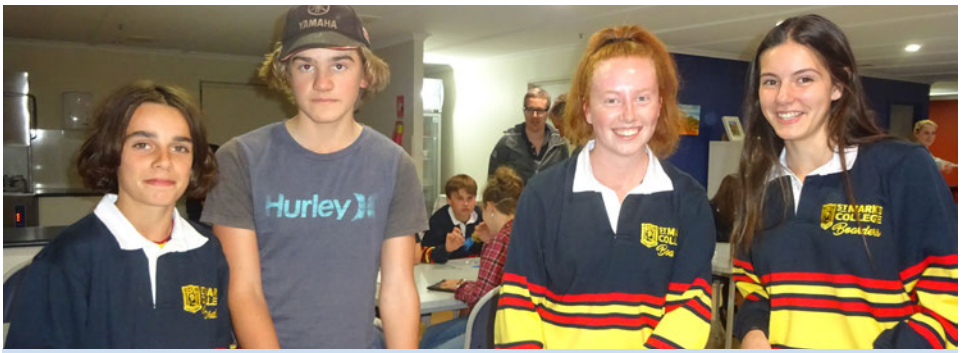
If cars are building up out to the government road please be considerate and keep driving down to the Pick Up area on the western side of the carpark. This will allow more vehicles to Drop Off and avoid congestion.

Following these simple rules will make our carpark a safer and easier place to drive.

Jo Court,
Business Manager

BOSCO CAMPUS

From the Deputy Principal



Oliver, Nathan, Alice and Louise at the Salesian House Quiz Night

Communication and Parent Emails
I take this opportunity to remind families of the importance that the College is provided an accurate and up to date email. As we progress with technology more and more communication are going online. At present, our Parent Teacher Interview system is online and excursion notices and supporting documents are being distributed via CareMonkey. If you have not been receiving emails from the College, it could be a sign that we do not have your correct email address. If this is the case, please contact Bosco Administration on 8633 8801.

What's happening in our Boarding House?
On Monday 14 May, our boarders and staff shared in a night of laughter, competition and spirit as they gathered in teams fighting to become the next group of Salesian House Quiz Night Champions. The evening concluded with prizes and excitement and Mr Hay's table being announced Quiz Night Champions.

Our boarders are also wearing their new jumpers with pride. Thank you to Alice and Bernie for the time and effort they put into the designing process. These jumpers advertise a unique community of friendship that each of these students are members of.

The activities available to boarders have grown, with many now participating in netball, boxing and fishing. My gratitude is extended to the teaching staff that volunteer their time to support Salesian House staff in offering these experiences to our students.

Student leaders lead Catholic Education Week activities
Last week schools across the Port Pirie diocese celebrated our Catholic Faith and Mission during Catholic Education Week. Over the course of the week our community participated in a range of activities to raise much needed funds for the Good Samaritan Sisters of Kiribati. Year 12 leaders led the activities, as they continue to build and nurture a place of hope. Their leadership inspires action and invites us to examine heart and contemplate our part in service outreach. I extend a special thanks to the Year 12 leaders, House representatives and House Leaders.

Ardia Mead
As a community, we extend our congratulations to Ardia Mead who was announced SA Regional Athlete by Tennis SA and the Ken McGregor Foundation. Ardia has represented the State in many competitions and regional Tournaments and in the coming months is scheduled to play at various Metro tournaments. To read more about Ardia's achievements and future goals, please visit: https://www.tennis.com.au/sa/news/2018/05/21/regional-athlete-ardia-meads-successful-pathway

Year 12s Head to Outback

Patrick, Georgia and Bernie at the Station

This week the Year 12 Agriculture students went on an excursion to visit two rural stations; De Rose Hill Station (SA) and Undoolya Station (NT). Students were able to see and experience a brief snapshot of the life of a Station owner and all that entails running a successful livestock production business.

Students learned of old, new and innovative technology used to make day-to-day running very efficient to reduce labour costs and stress on livestock. Students observed trap-yards, automatic cattle drafters with in-built scanners, and air-pressurised cattle yards for sorting, scanning, tagging and managing cattle, from young calves to those ready for sale. This technology makes management much more efficient and allows for traceable data on each animal in their possession.

Students were very grateful for the experience and for some it will be a once in a lifetime experience.

Around the College

Grandparents Project

The Grandparents Project was a homework task where the students had to interview a grandparent or other older family member. Some students have grandparents living overseas so they had to make phone calls. Others emailed their grandparents. Some were able to interview one grandparent and some were able to interview four grandparents.

Insights into families that my students discovered were that their grandparents families were often much larger than today. One grandparent had nine siblings. Other insights were that when asked who was the best behaved, all grandparents say that they were. When asked who was the naughtiest child, nearly all grandparents picked another sibling!

Knock Out Footy

Tuesday 22 May saw the SMC 8/9 Knock Out Football boys take on the Mid North Schools Education Co-operative team (MNSC). We have put in months of training and preparation for our first game which paid off.

We came out with intensity in our first quarter putting our opposition on the back foot. In the second quarter MNSC put the pressure on and had a lot of the play making our back line have to work hard to keep the to only 2 minor scores.

After half time our boys stepped up and started putting scores on the board. Our mid field was relentless getting a majority of the play and delivering the ball safely to our forwards. In the final quarter our boys kept the pressure on and showed that they have the skills and desire to play good footy and progress to the next round.

Well done to our Year 9s who showed great leadership through their actions and voice. The Year 8s played well against their bigger opponents.

Goal Kickers were: Xavier 3, Bohdi 2, Bade 1, Cooper 1, Jack 1, Charlie 1.
Final scores: SMC 9 goals, 5 points defeated MNSC 1 goal, 2 points

St Mark's won the Year 8/9 boys Knock Out Football this week
