Learning Assistance Programme (LAP)
Learning support for Reception - Year 7 students
Volunteer Based

What is the programme?
The LAP programme is student centred and volunteer based. LAP provides one-to-one learning support and enrichment for students in Year R-7 with diverse academic and social needs.

The aim of the programme is for the child to:
• Develop positive relationships between students/mentors in a safe, one-to-one environment;
• Increase the self-esteem and confidence of students of all ages and year levels;
• Support the successful learning of selected students;
• Promotes, encourages and values parent and community commitment and participation.

How will it benefit my child?
Students identified for LAP benefit from this specialised programme in a number of ways:
• Is always one-to-one
• Is about developing positive relationships
• Builds confidence and self-esteem for the child
• Takes a creative approach to learning

The programme is established on the concept of one-to-one interaction between a student and volunteer for a regular session each week. A volunteer is matched carefully with a student to build upon the student’s strengths, interests and abilities.
