We have celebrated the joy of 125 of Good Samaritan Sisters. The Magdalen Centre was blessed and we attended Mass. Year 7s stood tall in Confirmation. The landscape changed, we prayed for healing and students are preparing to set off to the Philippines.

**The Blessing of the Magdalen Centre**

We shared a moment of benediction with the recent Blessing of the Magdalen Centre. There was thanks and there was blessing. The Junior Primary building that has recently been renovated was officially blessed as the Magdalen Centre. It’s named celebrates the contribution that Sister Mary Magdalen Adamson made 125 years ago when she led the first group of Good Samaritan Sisters to Port Pirie. Her attached image doesn’t indicate someone deeply happy about the experience not like the 17 beautiful Sisters who visited us for the ceremony. The Sisters of the Good Samaritan were present at our blessing to enjoy the efforts of the children and help celebrate the importance of the learning, the faith and the community that happens in the building. The opening was a child focussed time and a beautiful expression of community. The children presented a narrative about the journey of the Good Samaritan, the story of Jesus, the inspiration of St Benedict and the courage of the Good Samaritan Sisters. They were costumed and well prepared. The deft hand of the teachers meant that they sang like angels, performed with discipline, narrated with purpose and brought a sense of holiness to the room. The skill of our mums meant that we had costumes to produce a very holy looking Jesus, a battered Jewish man on the roadside, a blessed St Benedict and determined Archbishop Polding, along with seven holy nuns. Well, holy nuns with a touch of bling! Perhaps they were as cute as they were holy because the children’s innocence and sincerity became something quite sacred. There was much effort in the preparation especially by Ms Nikki Caputo who choreographed the event.

The Bishop was present to splash a little holy water around and to speak of the kindness of the Good Samaritan Sisters and the importance of the gospel story. A reasonable amount of that holy water splashed on the children present and they were supposed to be reminded of their unity through baptism. Perhaps they were caught up in the excitement of the moment as they suppressed giggles at the Bishop’s generous dispensation of holy water.

We played the ‘cute card’ a little with the sisters when the children ceremonially gave them a carefully crafted card and some local jams as a gift. There were glistening eyes and tears dabbed...
in a moment of generosity and connection. We remembered that these women had been generous servants both here at St Marks and around Australia and we saw the enormous potential of the Magdalen Centre to create scholarship and care.

The Feast Day Celebration
I was delighted with the manner in which the whole school gathered for the Mass with the Bishop to celebrate the Good Samaritan Sisters. The Good Samaritan Hall was packed. We gathered for prayer and to unite in care for one another and for fun. We gathered to celebrate the Eucharist and special women in the life of the Diocese. It was a true Feast Day. It was about a spirit of unity and a sharing of joy. The students were fully involved and we knew that there was a special presence that day. A presence of gratitude and reverence in the Mass and a sense of fun and unity in our games. Balls were rolled, batons carried, races were desperately won and lost. There was a simplicity in the gathering and a generosity in the involvement. The mentorship of the seniors was wonderful. The teachers organised superbly. The lolly pops at the end of the day kept us quietly munching and we ended well. Our hearts had been touched and the inner child was excited. The Good Samaritan Sisters were beaming and I felt very proud.

The Confirmation
There was another moment of holiness. Our Year 7s and their families packed the Cathedral on Pentecost Sunday as the Bishop asked each child to stand and announce that they were present to receive the Sacrament of Confirmation. He asked them to stand alone and in the standing and the sincerity their response was touching. These young people, so carefully prepared, responded in isolation amongst a huge congregation and announced that they were ready. The Bishop was gentle and pastoral, marvelled at their thinking, making them smile with witty graciousness and making the whole thing more special with his appreciation of the children’s commitment. I thank the Cathedral Parish on behalf of the whole school gathered for the Mass with the Bishop to celebrate the Good Samaritan Sisters. I also acknowledge our teachers. The Year 7s had been under the guidance of their teachers for many weeks in preparation and they had been well prepared. We know that there are sponsors behind the decision. We saw the hands placed on shoulders, the unity and the love of a family as the children gathered in ritual. These were parents and grandparents so proud and squashed into the pews and they embodied all that is important about family life and Church. I believe that they make love come alive and that helps define what Confirmation can become. It was a wonderful occasion for Port Pirie.

National Sorry Day
National Sorry Day was acknowledged last week to remember and recognize the Stolen Generations. We offered prayer and reflection about Aboriginal and Torres Strait Islander people who had been affected either directly or indirectly by this terrible part of our history. There were moments of quiet and class commemorations to remind and raise awareness amongst students. We gain a small sense about the significance of the forcible removal policies and their impact on the children. We prayed for healing and peace.

The Landscaping
I acknowledge the work of Paul Cagney who has completed much of the landscaping around the entrance of the Benedict campus. It has become a very neat, manicured and welcoming space. He has carefully crafted the area and it has become quite lovely. It has taken much hard work and patience. Paul has laboured long and hard and will now set upon the Bosco campus and the entrance there. He has to remove a number of the twisted and tangled trees and will be replacing them. There will be lawn and garden spaces created. There will be a renovation of the Administration building and it will be a celebration or our excellence and our welcome. Good luck Paul.

The Philippines Immersion
There is a growing momentum about the Philippines Immersion. In the July holidays there are ten students going and three teachers as well. Father Francis Montero will be the pastoral guide for us. This is a chance to step beyond the comfortable boundaries of Australia and to embrace an adventure. The aim of the trip is for the staff and students to immerse themselves into the culture and to engage with the people of the Philippines. They will be visiting schools and cultural sites in various places. They would particularly like to meet the children of the Philippines, and are visiting six schools. The Immersion party will be:

Students: Hannah Combe; Gabriella Dennis; KloeJaeschke; Ashleigh Morrell; Ashleigh Ragless; Georgia Schulz; Jacinta Smallacombe; Naomi Stott; Madison Todd; Isabelle Coates
Staff: Greg Hay; Toni Boulton; Naomi Creek
Chaplain: Francis Montero

They have assembled a large number of donated prizes for a raffle. Each student has a raffle book and will sell tickets at $1.00. The main prize is two nights’ accommodation at Beltana Station for 8 people. This has been donated by Laura and Graham Ragless and will be a special Flinders Ranges treat for the winner. There are assorted vouchers, bottles, ornaments and trinkets that will be consolation prizes. We look forward to the support of the College community.

Greg Hay, Principal
We have had a busy couple of weeks with many faith filled activities and celebrations here at Benedict Campus.

It is wonderful to see the photos Year 7 Confirmandi brought along to Mass to share their celebrations with the Parish Family. These photos will remain on display in the Cathedral for a couple of weeks.

A most significant part of the last fortnight was the Opening of the Magdalen Centre and 125th Anniversary Celebrations of the Sister’s of the Good Samaritan in Port Pirie.

During Week 5 we had a meeting of Parents from Year 4 in preparation for the commencement of our First Communion Preparation Programme. Our Year 4 students now begin learning about Forgiving, Thanksgiving, Celebrations, Giving, Community and the Mass in readiness to receive the Eucharist for the first time in August. The Year 4 teachers and I look forward to supporting and affirming the Parish and families in the Faith Development of these children.

This term we have gathered together for Mass as House groups as well as our Mass vertical groups. This week it was Gallagher’s turn to celebrate Mass together. It has been exciting to work with the Year 7 House Leaders to prepare these Masses. McNally and Polding will gather as Houses for Mass on June 18 and July 2 respectively.

From next term we will alternate Masses in the Chapel and the Good Samaritan Hall. The Masses in the Hall will involve more classes giving students greater opportunity to participate in Liturgical celebrations and also allowing more room for the family members joining us to celebrate Mass.

Our M-Team group members have been very active this year. During Term 1 we focussed on charity and raising funds to support St Joseph’s House. The Mothers of our Parish Community were very surprised and happy to receive a flower from the M-Team at Mass this year on Mother’s Day. Some of our year 6 M-Teamers recently represented the volunteers at our school with Mr Hay at the local Port Pirie Volunteer’s Week celebrations.

During Term 2 we are focussing on Fellowship and Service. Last week we gathered for games in the Hall at lunch. This week we launched our Service Passport. Throughout Terms 2 and 3 students will keep a record of their acts of kindness and service to others for reflect on.

Finally Benedict Campus will be involved in preparing a Parish Family Mass. This will be held on Sunday June 28 and we invite our Benedict families to come along and join in this celebration of this Mass.

Katie Pole, RE Liturgy/Sacramental Coordinator
From the Deputy Principal

Both staff and students this past fortnight have enjoyed spending lots of quality classroom time together after a busy start to the term. It has been lovely to see classes enjoying their daily routines and each other’s company. Staff have been taking part in a number of Professional Development days as well as our JP Staff hosting an Information Evening on Monday night to speak about the New Learning that is happening at St Mark’s this year. This was well received by all who attended and we thank Jenna Howell and Lisa Parletta for sharing their knowledge, understanding and skills in this area of our curriculum and learning.

Uniform

Our school uniform has been the ‘hot’ topic this week at Benedict. Having recently been involved in new enrolment interviews, one of the things that many parents stated, was their love of the school’s uniform and how much they liked it. With this in mind as the winter uniform comes into its own and the weather gets colder and the days shorter, we have been ensuring that the Uniform Policy is being adhered to by our students. Following are a couple of things that have been questioned this week in regards to clarifying parts of the policy:

Hair - In this area, we are on the side of conservative. Both girls and boys are required to have hair that is neat and tidy. If hair reaches their shoulders or is in their eyes, they are required to tie it back.

PE Socks - Are to be ‘predominantly white’. It is OK to have a logo on socks (preferably black or blue). Logos that are luminous in colour are not acceptable - and if they are a different colour, school colours are best.

Tops under clothing - This is not currently a part of our school uniform. Although understandable in this colder weather, we have a jumper and jacket for warmth. If you wish to have this as part of the uniform, the correct process will need to be followed before it can be worn by the students (ie. firstly, approach the Uniform Committee members).

If you are experiencing difficulties with the uniform, or need to clarify anything, please do not hesitate to see the class teachers, or come to the Front Office for us to assist you. Thank you.

No Hat No Play - All students are expected to ensure they have a hat each day for outside play times, including PE. If a student does not have their hat, they will not be allowed to play and will be asked to sit out in the shade. If it is lost, the ‘Lost Property’ box in the Front Office is the place to look for it. Also, there will no longer be hats available in the Front Office for students to borrow. Taking responsibility for their own property is an important life skill for our students to learn. We appreciate your support in this. Thank you.

Behaviour Issues

One of the most powerful Behaviour Management Strategies that a school can have, is the close partnership of a teacher and parent working together and supporting one another. With really strong communication between parents and teachers, students are able to see the relationship between home and school, and how each supports the other. It is imperative in this relationship to have trust in what each is doing for the good of the child. Decisions that are made at school in relation to student behaviour need to be supported by the parents. This means that if a note is sent home explaining an issue from the day, we would expect that parents speak to their child and support the decision made, knowing that it was thoroughly dealt with and justified in relation to school rules and policy. Following up on an issue with a teacher should be purely to clarify any other details, not to ‘rescue’ the child from the consequence. All children are capable of taking responsibility for their words and actions and it is up to us, as adults, to let them own their behaviour and deal with any repercussions that may occur. This not only makes them more resilient but also sets them on the path to being a successful adult themselves. Let’s work together to build our children’s future! As the famous quote states: “It takes a village to raise a child.”

National Competitions

Each year our students have the choice to enter into a number of National Competitions centered on common subject areas. This term we have students from Years 3-6 that have begun sitting these tests. So far there has been one on ‘Digital Technologies’ and another one this week on ‘Science’. They are set out as multiple choice and are a great way to get students using different ways of not only answering questions but also looking at the various ways that a question can be asked! We wish these brave students well.

Upcoming Date

On Sunday 28 June at 5pm there will be a Family Mass at St Anthony’s Church. All students and their families are invited to attend. A note is coming home for those who are interested to take part in readings, etc. We are requesting that all Year 4 and Year 7 students make a special effort to come to this special celebration as part of their commitment to the sacramental journey they are making this year. Please put the date in your diaries and come and join us!

Kylie Smith,
Deputy Principal - Benedict Campus
Book Buddy News

The Benedict Library has been alive with reading every morning with our Book Buddy Club! It is wonderful to see the enthusiastic Year 7 students at the Library door bright and early waiting for their younger buddies to arrive. The Foundation, Year 1 and Year 2 students who have been joining in at Book Buddy Club have been very keen and having a great time.

Book Buddy is a program in our school which provides our younger students with positive reading and learning experiences. It provides a confidence boost for reluctant readers and encourages students who may be having some difficulty to enjoy reading stories together and to have a go. Book Buddy also helps to boost exposure to different texts and sight words and encourages discussion, promoting the development of oral language and comprehension skills. Most of all, Book Buddy is a place where we read together and have fun.

**Year 1 Students:**
*You can get prizes!*
*You get to read books with your buddy.*
*It’s fun and they make me laugh with their voices.*

**Year 7 Students:**
*The kids are energetic and funny.*
*We really look forward to it, it’s something different.*
*It is rewarding because you get to help the younger kids.*

Teresa Gadaleta,
Literacy Coordinator - Benedict Campus

Daniel Gianoni, Jaida Camporeale
From the Deputy Principal

St Mark’s College is a wonderful community, a place with much energy, enthusiasm and a high standard of excellence. We recognize that in order to be successful, our students need support from both home and school. We know a strong partnership with you will make a difference in your child’s education. As we enter the final weeks of Semester 1 I draw your attention to key information about the following events.

Mid-Year Exams
As you are aware Mid-Year Exams are scheduled for Week 8 of this Term and involve all Year 10 and 11 students. As this time is fast approaching I draw your attention to the following key points:

Year 10
Students will sit their exams over a three day period, being Monday June 15 - Wednesday June 17. Students will only have exams in the following subjects:

- English, HASS, Science and Mathematics.
- Winter uniform should be worn at all times, except for days where students have scheduled practical Physical Education lessons.
- Please note: students are expected to attend school on Thursday (Year 10 Retreat) and Friday as normal.

Year 11
Students will sit their exams over a 5 day period being Friday June 12 - Thursday June 18.

- Students will sit exams for all subjects excluding PLP.
- Normal classes will not run in this week and therefore students are only expected to attend school when an exam/practical catch up session is scheduled.
- Winter uniform is compulsory during exam week
- Please note: Students are expected to attend school on Friday 19 June as this is their Retreat Day.

Year 9 Retreat
The Year 9 Retreat is a significant experience for our students. It provides a unique opportunity for them to reflect upon their life journey, their family and relationships, and to discern life’s bigger questions relating to their place in the world, meaning and purpose.

Faith Matters
Year 9-11 Retreats
As part of the Year 8-11 Religious Education program, all students are required to participate in a Retreat Day. The intention of this day is to provide students with an opportunity to come away from the classroom environment and participate in activities centred on themes specifically tailored to suit the faith development of each year level.

Year 12 Retreat
The Year 12 Retreat is a significant experience for our students. It provides a unique opportunity for them to reflect upon their life journey, their family and relationships, and to discern life’s bigger questions relating to their place in the world, meaning and purpose.

The Retreat is a three day ‘live in’ experience that will take place in Week 10, beginning on Wednesday July 1 and concluding Friday, July 3.

Work Experience
By now all students have received the necessary information, forms and support to secure a Work Experience Placement from 29 June to 3 July, Week 10. In order for this week to run smoothly and be a worthwhile experience, your child needs to ensure the following is completed:

- The Safety Induction Booklet completed and returned by Tuesday, June 16.
- The Workplace Agreement form provided to the Bosco Admin Office no later than Tuesday, June 16.
- A Work Experience placement located and confirmed (please contact Ms Atkinson, if assistance is required).
- The Workplace Agreement form provided to the work placement boss.
- The Safety Induction Booklet completed and handed into Ms Atkinson.

If you have any questions regarding Work Experience please do not hesitate to make contact.
set new goals for Semester 2. The power of this discussion and goal setting cannot be underestimated and is particularly meaningful for students, when they share this with others. Please see below the dates for report distribution:

**Year 8, 9 and 11-** Friday July 3

**Year 10-** As students will be on Work Experience reports can be collected from the Admin office from 12:30-2pm. If not collected during this time they will be posted.

**Year 12-** Tuesday June 30 (prior to Retreat)

---

**Reflecting on our Feast Day**

On Friday May 22, the St Mark’s Community celebrated 125 Years of the Good Samaritan Sisters in Port Pirie, a significant event for St Mark’s and Catholic Education in Port Pirie. As a Catholic school grounded in the Salesian tradition this Feast Day is of great importance. It is one of the few times where we gather as a whole school community to share in Eucharistic celebration. It is also a community day where students of all year levels interact in a very special activities afternoon, a tradition that is long standing in the College. It is a wonderful faith filled day that celebrates who we are and what we believe.

My experience of this day was one of great joy. To be in the company of 17 of our Good Samaritan Religious Sisters and to have the opportunity to celebrate and honour them for their work in Catholic Education and our own St Mark’s community was very special. To see the smile on the Sisters faces when they reconnected with teachers whom they taught and saw just how much our school community is flourishing was nothing short of beautiful.

I was also blown away by the afternoon performances led by Year 12 Music students Josh McBride, Toby Johnson, Caleb Connor and our High School Musical team. Their talent, energy and creativity captured students from all year levels and even had the Foundation students dancing in their seats. The activities that followed were a great display of cross-campus connection and sportsmanship. I know that all who looked on delighted in seeing students both old and young laughing and playing together. Sometimes I know that adolescents may not impart just how important our Feast Day is and I encourage parents to trust their instinct, that internal antenna that goes up when their child says ‘it’s not a compulsory day’, ‘I only have lessons until recess’ or ‘It would be better for me to stay home and study’. Trust that instinct and know that as a Catholic school, faith development is at our core and it is important that all students participate in our Feast Day celebrations.

Kate Kilpatrick  
Deputy Principal - Bosco Campus

---

**Year 12 Ag Camp**

On the 17 and 19 May the Year 12 Ag students accompanied by Mr Matthews, Mr Head and Ms Maddigan, headed to Wonga Pastoral near Morgan, to attend the Year 12 Ag camp. The camp assisted us with our major assignments, including the 30% Investigation and Cattle production report. Whilst at Wonga, we participated in the examination of two sheep carcasses that took place in our investigation trial, took various tours around the 135,000 acre property, learning about land management and weed identification, played spotlight, took tea time selfies, had rock skimming competitions on every dam we saw, jumped in the puddles from Monday night’s rain, gained a few kilos with Michelle Lindner’s “amazingly unbelievable” cooking and most importantly learnt about life on a station.

The camp was beneficial for us, as we were able to see where our second group of trial lambs have been living for the last 12 weeks, making comparisons of the land and living conditions to the feedlot trial lambs back at school. The Lindner family were extremely welcoming and we all felt at home throughout the stay… we may have all actually forgot we went on camp for “educational reasons” and not to just have a good time… which we sure did - whilst learning a lot.

Molly Head, Year 12 Ag student
Around the College

Year 12 Research Project

As part of the process during the Research Outcome section of the Research Project, students may work on the production of an artefact. This product demonstrates acquisition of new knowledge and skills in a topic area of significant interest. Skills used to manufacture the artefact are derived from key findings that a student obtains from a variety of worthwhile sources. This year, two Year 12 students produced two artefacts of note. Maddison Richardson completed a painting of a young woman. Maddison’s focus of study related to the unfortunate experiences endured by women in their social setting. The other artefact was an actual electric guitar. This was produced by Mitchell Young. We were indeed fortunate to hear Mitchell play the instrument, ‘Smoke on the Water’ being a particular favourite of mine.

Well done to these students on a tremendous effort in their Research Project.

Shane Fantinel, Research Project Teacher

Rainbow Colours Day

Bosco Campus dressed up in Rainbow Colours to raise funds for the people of Nepal as part of Catholic Education Week.

SMC Football

The boys have been representing St Mark’s Football Club extremely well so far this season. The Little Leaguers have been enjoying learning new skills in game situations. As the photos show they are certainly enjoying their football and the new guernseys look good too.

Matt Mead, SMC Football Coordinator

Sports News

Our SMC Footballers are looking good in their new guernseys and enjoying the season.

St Mark’s Sport proudly sponsored by alsanto constructions
St Vincent de Paul Blanket Appeal

During Catholic Education Week Bosco students brought in blankets to donate to the St Vincent de Paul Blanket Appeal.

The blankets were presented to St Vincent de Paul representatives during a special Assembly.

Philippines Immersion Raffle

Tickets: $1.00
Drawn: 30 June 2015

First Prize - Two nights stay at Beltana Station for 8 people (valued at $700)
20 Consolation prizes - Wine, jewellery, vouchers and gifts.
Tickets available from the Front Office at Bosco and Benedict Campus.

Proceeds to the Philippines Schools visited by the students.

From the Federation of Catholic School Parent Communities

The Federation of Catholic School Parent Communities, the peak for Catholic School parents in SA has released its 2014 Annual Report which was tabled at the Federation’s AGM held on 30 May 2015.

You can access the Annual Report here or by going to:

http://www.parentfederation.catholic.edu.au/about-us/annual-reports

Be connected. Be informed. Be heard.
Blessing of the Magdalen Centre

On Friday we went to the play. It was about the Samaritan Sisters and there was lots of people. We watched a play of the foundation and signed 3 songs and I liked the priest blessed the building.

By Sophia Yin - Year 1 Red student
