Splitting Family Accounts
The splitting of accounts for separated families is not an option. Parents are to make their own arrangements regarding payment of accounts if they live at separate addresses. It is the legal responsibilities of the signatories on the enrolment form to pay all school fees. The school will not accept family court judgment’s as a basis for payment of fees.

Family Discount
A maximum Tuition Fee applies to any family. This is equal to the two oldest students paying full fees relevant to their year level, and the next student paying half of the fee relevant to his/her year level. Further students attract no Tuition fee. When determining whether a family will receive the discount, consideration will be given to circumstances such as whether the children are all enrolled under the same party’s name or if the family member can demonstrate full financial responsibility for all children school fees.

School Card Discount
Families who may qualify for the School Card discount should submit the School Card Application Form 2016 preferably before the end of March each year. The discount will be passed on to you once you are confirmed eligible by DECS. Whilst waiting for the decision from DECS, you may pay the school fees less the expected School Card discount. A discount of 50% on Tuition Fees is applied to approved school card holders.

Part Time Student Discount
Students who enroll in less than the usual full fee load of subjects (Year 12 – 5 Subjects, Year 8-11 – 7 Subjects) may be given a fee discount on the Tuition and Resource Fee

Please submit the form - Application for Fee Remission. Application will not be assessed without proof of income - Centrelink documents, pay advice and tax return. Fee remission applies to current year only and is provided on a case-by-case basis. Families who are provided fee remission are encouraged to pay by direct debit.

Late Commencement /Withdrawal from College
Should a student commence or conclude his/her studies part way through the year, a portion of the relevant fees will be charged. Payment of fees is still required where a student is absent from school for any length of time, eg overseas trip, holiday, sickness.

Overdue Accounts & Late Payment Fee
The College reserves the right to pass overdue accounts to debt collection agencies for collection. If this occurs, families are responsible for the payment of the collection costs as per parents/guardians declaration in the ‘Application for Enrolment and Enrolment Contract’. Any default debt may also be reported to a credit reporting agency.

A 7% Administration Fee will be charged from the 1st January the following year on the balance outstanding at the 31st December unless prior arrangements have been confirmed in writing by the Business Manager as a result of financial hardship.

Families who have outstanding fee balances at the end of the year will be required to pay fees via the College Direct Debit system (PaySmart)
