Welcome back to the freshness and optimism of a new year. We begin again as a strong community, celebrating scholarship, making sense of the Royal Commission and offering a trust in God’s blessing.

Welcome Back
The beginning of school is always about freshness and optimism and it was wonderful to welcome over 900 optimistic and fresh young people into the College last week. We welcomed young people and families who bring the hope of a new year and the determination to make this opportunity special. It is a time when the Year 12s have a particular intent and the Year 8s experience a very unfamiliar nervousness. It is a time when the primary children burst with anticipation and the secondary children smile in ‘resignation’ because they are back. But they are back in the security of a system that cares and they are with mates and mateship sustains. This is a time enthusiastically anticipated by Reception parents and as they wipe away tears (their own) and recognise a milestone in their parenting, the newest St Mark’s students begin a profound journey.

The weather seemed so kind to us in the first days and I loved the enthusiasm of the first few days of our school year. It’s in the crispness of new uniforms or the shiny shoes that I hope stay like that for a while. It’s in the smiles of welcome and the excitement of exchanging holiday stories. It’s in the new timetables and the new teachers and the organization that happens when a community must be built again. It is also a time when students feel the anxiousness of the challenge ahead. But it is certainly a time of promise and purpose. I find this enthusiasm infectious and assure you that things have gone well.

The teachers had been back for a while, dusting classrooms, preparing curriculum, imagining lessons and listening to their Principal patiently. Those summer storms had helped the place become green and we were excited to begin. It now becomes a time of community and of people working together. It will be a time of hard work and determination, of curiosity and learning, involvement and personal growth. The return to St Mark’s means that we share the privilege of scholarship and grow through the impact of community. We welcome back routines and disciplines, exhaustions and inspirations. There is so much possibility about the return to school. That is why we are excited at St Mark’s.

The Year 12 Results
The 2016 Year 12 results were outstanding. I was so proud of the achievement. The 87 young people had journeyed courageously throughout the year and all of them achieved their SACE. The 100% SACE completion, for the second year in a row, is a great credit to the students who didn’t give up, and to the teachers who made demands. These young people have set themselves up for a better future. They are now preparing for university, working in apprenticeships or traineeships, establishing themselves in jobs and have the advantage of the SACE.

I extend congratulations to Annie Ford as Dux of the College with an ATAR of 98.4. This puts Annie in the elite category of Australian students and I also extend congratulations to Patrick Williams (Child Studies and Research...
The Dux Assembly
The College has had a chance to celebrate the achievements of 2016 at the Dux Assembly. We gathered very formally with Annie Ford, our Dux, and our Year 11s and 12s, invited parents and Alesha DeGiglio, our special guest, to extend our congratulations to Annie, her family and the students who achieved over 90 in their ATAR (tertiary ranking) score. It was a beautiful ceremony with leadership staff wearing academic gowns to celebrate scholarship. The welcome and prayers were evocative and Alesha, a recent old scholar and practicing lawyer, spoke about a special commitment from the teachers, as well as the scholarship of the students. We feel very grateful for her time with us and the simple words of encouragement. Alesha’s achievement is special for the College and her return was exciting. When Annie Ford spoke there was a humility, encouragement, sense of appreciation all balanced with love of the College. She spoke beautifully about her father who taught her last year. She was riveting to listen to and was so impressive because of who she was, not just what she had achieved. We were very proud that day and we congratulated the following students who achieved over 90 in their Australian Tertiary Admissions: Sam Eades, Caitlyn Farrugia, Ella Gibson, Maddy Prior, Jessie Veitch and Patrick Williams. Alanah Barr and Caleb Thornton were also acknowledged because of their Merit Awards. It was a wonderful occasion.

Commissioning Mass and our new teachers
To begin our year as a staff group we gathered with parish representatives in the Cathedral. With Fr Francis as celebrant we shared a Mass to ask for the blessings of the year. In the quiet and the prayerfulness of the Cathedral there was a beautiful sense of mission and purpose. We reflected particularly on our theme for the year which is: We are Family. My prayer was that all of our community will join in a celebration and a reflection of the profound privilege of being family at St Mark’s.

Our Bishop was present and sitting quietly at the back sharing the Eucharist with us. He stepped up to the altar to formally offer us a commissioning. He also was beautifully welcoming to our new members of staff. He conferred on them a crucifix and a blessing. We share with the Bishop our welcome to Elizabeth Boston (old scholar 2011); Matthew Munday (old scholar 2012); Tom Gilligan; Kirby Symonds (old scholar 2005); Elke Holze (old scholar 2010); Steel Turner and Darren Giancaspro (old scholar 1987).

Royal Commission
The Bishop has sent out a Pastoral Letter to our Diocese. He has acknowledged the deepest sense of grief and shame about the findings of the Royal Commission and has extended profound sorrow and offered support through Catholic Church agencies. The Bishop has written about ‘incalculable damage’ and ‘sorrow and apology’. It is the darkest time for so many and we have a Church who have created processes and protocols that show that we are completely committed to the care, wellbeing and protection of all children. There is a copy of the letter at the Front Desk and on the Diocesan website. Anyone with any concerns is always very welcome to make contact with the Diocesan Office or the College.

The Parents and Friends
I was delighted to attend the first Parents and Friends meeting this week. There is such a buzz of enthusiasm about the group. They are mums and dads who make a special connection with the College through discussion, service and community events. They get a chance to talk about school issues and hear firsthand about school events. Often we get a chance to look deeply into the issues and opportunities of the place. Often they laugh and certainly they are very welcoming. I hope to see you at the AGM on Monday, March 6. There is a bit of planning to do and a vibrant P+F is great for parents and vital for a school.

Greg Hay, Principal
From the APRIM

Our 2017 year has got off to a smooth and warm start. Much activity, life and ritual has already taken place.

Boarders’ Opening Liturgy
On Monday, 30 January our Boarding Community for 2017 gathered together for the first time. A liturgy was held to pray for and bless the year ahead that Salesian House will share in as a community. During this prayer Tom Hill was inducted as the Salesian House Captain for this year. It was a rare opportunity for families and boarders to all be together and share some time with each other. A special welcome to all our new boarding families. I also wish Tom all the best in his leadership role.

Opening Mass
Today was to be our Opening Mass on the Feast of St Scholastica. St Scholastica has a special part in our Benedictine (Good Samaritan) tradition. Due to the extreme heat conditions this week, it was decided to re-schedule our first whole school celebration and gathering until Monday 20 February at 9.30 am. Families are most welcome to join us on that day.

Salesian Strenna
Each year the Rector Major of the Salesian Order develops a theme for the Salesian community to follow. This is known as a Strenna or ‘gift’. This year it is ‘We are a family! Every home a school of life and love’. This theme will flow through events and planning across the College. We hope to really celebrate the importance of family relationships in developing and nurturing our students in the people they will become.

Staff Commissioning
On Monday, January 30 our staff were commissioned in their vocation for the 2017 year. It was a moment of affirming our roles and prayerful hope for a fruitful year in all our endeavours within this vibrant school community.

Dates for the Diary
- Monday February 20 – 9.30 am Re-scheduled Opening Mass
- Monday February 27 – Year 9 Rite Journey Launch
- Tuesday February 28 – Shrove Tuesday
- Wednesday March 1 – Ash Wednesday
- Wednesday March 8 – Sacramental Information Evening for Reconciliation, Eucharist and Confirmation
- I wish you all a blessed year.

Katie Pole,
Assistant Principal for Religious Identity and Mission (APRIM)

Memorial Garden

St Mark’s College has been planning a Memorial Garden for some time to remember those members of our community who have passed away during their time with us.

Staff have begun compiling the details of staff who have died while serving the College as well as students who have departed this world while attending the College.

If you have a loved one who should be included in our Memorial Garden could you please contact the College to confirm their details?

Please contact:
Maryann Dunkley 8633 8800
or
Katie Pole 86338868
kpole@smc.catholic.edu.au

Students achieving an ATAR of over 90 were presented to the College at an Assembly followed by a luncheon with their parents and members of the College Leadership Team.
From Benedict Campus

A warm welcome back to Benedict Campus for 2017, and a warm welcome to the new students and their families who have joined the Benedict community; Daisy Brewin and Poppy Swinton-Brewin, Ethan Edwards and Jessica Edwards, Ada Eiffe, Charlotte Miller, Noah Miller and Joshua Simone. We hope you are feeling ‘at home’, knowing there are many people here to help you along the way.

The first day of school also saw 44 Receptions begin their educational journey at St Mark’s. They are looking more and more confident each day as they adapt to their new surrounds. Mums and Dads, rest assured that they are in a caring environment.

We also welcomed back Mrs Lauren Cable, Mrs Karen Davison and Mrs Sarah Freer from Maternity Leave, and our 405 students from last year who have enlivened the place with their laughter and chatter. Overall, it was a very smooth start to the 2017 school year and I thank you for your support in ensuring the uniform is worn correctly and your children are in class by 8.50am for the roll call.

Mornings

For students, following the morning routine without rushing is the best way for them to move their mind into a ‘school space’. After they have completed their jobs and maybe even have had a little time to burn off some energy, the beginning of the day with the class teacher is instrumental in setting up a successful school day. It is important that students are present from the beginning of the day so they can join their class in prayer and have the teacher ease any concerns when they go through what is going to happen during the day. The least amount of interruptions possible is encouraged so if your child is not in class by 8.50am, please go directly to the office to sign in. Please do not escort your child to class as this causes disruption to the calm environment the teacher is trying to create through prayer and daily discussion.

After this time, classes either move into a Literacy Block, Mathematics or a Specialist Learning Area until Recess. I know it will not always be convenient but where possible, please try not to book an appointment during this morning block.

Forgotten Items

We would also like to minimise disruptions for the remainder of the day. If your child has forgotten their library books, fruit, hat etc, please drop the item/s off at the office. This will minimise the number of interruptions the teachers and students experience during the day. As you can imagine, once a train of thought is derailed it is often difficult for both students and staff to pick up exactly where the teaching moment was before the interruption.

Communication

The College Newsletter and Diaries (Communication Books) are the main form of communication from school to home. Please check your child’s diary each day for notes. If you are not receiving the Newsletter electronically, hard copies are available from the office. Newsletters are also on the College website. Please also refer to the College Calendar for key dates throughout the year. The College also has an official Facebook page to share key dates and images of what is occurring at school. Please note: teachers have been asked not to communicate via private messages on social media sites. Please contact the office during business hours or write a note in your child’s diary/communication book. Sometimes texts will be sent from the office – this mode is saved for urgent messages so please check your message upon receipt.

Allergies

A number of our students have severe allergies. Currently we are able to maintain the safety and well-being of all students by washing hands before and after eating. A high risk situation could occur when birthday treats are brought in to be shared with the class. We certainly don’t want to stop this thoughtful tradition so we ask you to be mindful of the students in your child’s class with allergies. Please inform the teacher before the day so that measures can be put in place i.e. if the child’s parents know, they will often send in an allergy free treat for their child to have when the rest of the class is enjoying the birthday cake etc. Alternatively, allergy free treats such as zooper doopers are a great idea. Thank you for your consideration of this matter.

Carpark

The carpark continues to have a large volume of pedestrians and cars sharing the space. Please continue to take your time, adhering to the 10 km speed limit and the rules of the carpark. They are in place for the safety of all. A reminder that on wet weather days, there is no Pick Up Zone. Students will wait outside the GSH to be collected. Apologies for any inconvenience but often these days are low visibility and the safety of students is paramount. Please remember to inform any caregivers of the rules of the carpark if they are transporting your child/ren.

And now, onto lighter news! For your reading pleasure, a Benedict class will provide an article for each newsletter. This edition’s article is by 3 Red:

We are in Year 3 Red. We are starting to learn about Australia.

We have read Possum Magic and Koala Lou. My favourite was Koala Lou. We are studying Mem Fox.

We have brought in a ‘Me’ bag. A ‘Me’ bag is when
you bring in a bag with special stuff so that the class can learn about you.

In Religion we have been learning about Don Bosco.

We are starting to try flexible seating.

In bookmaking we are making Aussie animal books.

We are learning about Australia and Australian animals.

There is a new person in our class called Ethan.

We have logged into the computers and Study Ladder.

We have started the iMaths program and Literacy groups.

In Art we painted wattle using cotton wool balls.

Our classroom is really bright and green!

*Written by:* Matilda, Evelyn, Maelie, Kallie, Lucy, Jack, Ethan, Jacob, Orlando, Ariel, Ryder, Michael and Declan from 3 Red.

Liam, Archie, Ryder and Harrison sharing their ideas about their lessons on Australia

**LAP (Learning Assistance Program)**
**Volunteers Needed**
Meeting will be Week 3 on Tuesday 14 February in the LAP Room at 3:30pm.

- Would you like to be involved with the LAP programme at St Mark’s Benedict?
- Would you like to work one to one with a student to help make their school life more rewarding and positive?

LAP stands for Learning Assistance Program and helps students to experience success with their learning, build self esteem, self confidence, social skills, solve challenges and many other skills. It involves working with a student on different tasks that their teacher suggests.

If you are interested and would like more information about becoming a volunteer please feel free to come in and discuss this with me or contact me at Benedict. Your help would be much appreciated.

You could also email me for more information. My email address is: lrichards@smc.catholic.edu.au or phone 8633 8862

Louise Richards,
LAP Co-ordinator

**Morning Reading at Benedict**

Dear Parents/Caregivers,

At Benedict, morning reading takes place in Reception to Year 2 classrooms during the first lesson of the day. Morning reading happens in or outside classrooms, usually in the shared space. Volunteers listen to the students read an ‘easy’ take-home reader and give them gentle encouragement and support. Sometimes the reading is shared reading (reading together). The aim is to provide students with extra reading practice. Reading aloud will also help students to develop fluency and confidence.

If you would like to register for morning reading please complete the form sent home and register as a school volunteer through the College’s main office on The Terrace. If you have recently registered as a school volunteer, please check if your registration is still current. Morning reading will begin in Week 5.

**Teresa Gadaleta**
Literacy Coordinator

Wow, that is very clever Ceana!
From the Deputy Principal

The year begins
Welcome to the 2017 school year and a very warm welcome to all our new students and families who have joined the St Mark’s Community.

The beginning of the school year is a time of great anticipation and excitement. Year 8 students gathered last Tuesday, bubbling with nerves and enthusiasm. Their first day of high school was finally here. Year 12’s gathered with a different energy. There was a quiet confidence that filled the Bosco Centre. They were focused and ready for the academic challenge that lies ahead.

A baby was born
We began the year with wonderful news. Our 2016 Year 8 Coordinator, Mrs Tamara Wilson had her baby... It was a little boy, George Leonard Wilson. We wish Tamara and her husband Matt every blessing as they embark on the journey that is parenthood. A baby brings so much joy. We can’t wait to meet him!

New Boarders welcomed, a leader has emerged
Our Boarders returned and new families were welcomed in a Beginning of the Year Liturgy last Monday evening. Whilst a little warm, it was a beautiful celebration of families coming together as part of a special journey. We commissioned Tom Hill as Salesian House Captain, a proud moment for Tom and his family. He is kind, humble and compassionate and will make an outstanding leader for our boarding community. Following the liturgy, we gathered for a BBQ dinner. It was the perfect opportunity for new families to make connections and share in the wisdom of those first night nerves. There was a great energy amongst the boarding students. They huddled together, swapping stories of holiday adventures. A lovely way to begin the school year.

The excitement of Student Leadership
On Monday we launched Student Leadership with our “Meet the Principal” evening. Year 12 leaders and their parents gathered in celebration. It was an opportunity for us to affirm and congratulate them on their leadership position and to share our hopes for the journey ahead. Leaders sat down with key support staff who will nurture and guide them on their leadership journey. They talked about personal qualities and goals as well as what to expect as a senior leader in their final year. It was a wonderful evening for both families and the College. Soon we will call for applications for House representatives. Interested students are asked to apply through their House Leader.

Families gathered in partnership
On Tuesday Year 8 and 9 families gathered for the first of our Parent Information Evenings. Led by our Pastoral Care Coordinators, Ms Jesslyn Oxford (Year 8) and Mr Tom Gilligan (Year 9), the evening was a formal opportunity for families to meet their child’s support staff and key teachers. The coffee and informal chat upon conclusion of the formalities was a wonderful way for families to ask questions and get to know their child’s teachers. The evenings were well-attended highlighting the deep commitment from families.

We strongly believe that communication and a shared partnership are instrumental in ensuring a successful learning journey is experienced and I would like to take this opportunity to thank families for their attendance and commitment to their child’s education. I hope that families left feeling informed and excited about the journey ahead.

Kate Kilpatrick,
Deputy Principal - Bosco Campus

Bosco Resource Centre - Start of Year Reminder
A friendly reminder for all students to record the barcode of each Text Book issued in the back of their College Diary. This is to ensure that all books issued at the start and throughout the year, are the books that are returned at the end of the year.

Please also note that all water damaged, damaged beyond repair and lost Library and Text Books will incur a replacement charge.

Bosco Cubs at the welcome to House liturgy
St Mark’s College Netball
Preparations for the 2017 netball season are well underway. Our Senior Players have commenced pre-season training Sunday nights 6-7pm.

This year our club has moved to online registrations in line with Netball SA requirements. Current players should receive an email in the next week asking them to activate their online account and register for the 2017 season. Those who wish to commence playing for St Mark’s Celtic will need to go to the link shown on the registration information notes to create a player profile.

This week the Association have communicated a number of changes for Junior and Modified netballers. Junior players will compete in their U1, U12 and U13 age groups.

Net Set Go age groups has been handed to clubs to organise. This will mean that those 5-7 will be offered through our Club First stage of the Net Set Go Program previously organised by the Association (R/1 Students).

Girls eligible for what was previously 8 and Under 9 and Under Competition will take part in an Under 9 Competition at 11am Saturdays (Year 2/3 Students).

While this is being set up I would ask that girls wanting to participate fill out the reply slip so that we can send out the registrations as soon as we are established as a Net Set Go Club.

Please email smcnetball@gmail.com with any queries.

We look forward to a wonderful season of competition and development.

What’s happening at St Mark’s?
Keep up to date with everything we have been up to at the College by becoming a fan of our Facebook page www.facebook.com/stmarkspirie

Extra Year Book Orders
If you would like to order an extra copy of the 2016 St Mark’s College Yearbook, please contact either campus. Additional copies will cost $26 each.

Counselling Service for Students
Katrina Johns is a counsellor with a degree in Social Work, employed by Centacare Catholic Family Services Country South Australia (SA) to work across St Mark’s College.

Katrina will be working at Bosco Campus on Tuesday, Wednesday and Thursdays with Tuesday being split time across both Benedict and Bosco Campuses.

Students may seek counselling for a wide range of issues such as worries, stress, lack of motivation, sadness, anger, conflict with others (including friends, teachers and family), grief and loss, study load, bullying, low self esteem, relationship issues, separation and addictions.

School counselling is a confidential service, and counsellors are NOT permitted to repeat content of sessions to anyone without permission unless there is risk to a person’s safety. This will be outlined in the first point of contact with students.

Students can make an appointment with the counsellor via the front office in both campuses or directly to Katrina by phone or email or via the House Parents. Parents are welcome to contact Katrina direct.

Gallagher House Captains Joanna and Lawson introduce their Mascot to the team

Mmmm which one, it’s too hard to choose - there are so many!

Rykah explores the world of dinosaurs

Team McNally’s Mascot made a grand entrance to their team meeting!
**2017 School Fees**

The full year 2017 School Fees will be invoiced during Week 5 of this term.

Families who have elected to take up the 3% early payment discount will need to ensure that payment is made within 30 days from the date of the invoice. On making payment you will need to deduct 3% from your invoice and this will be subsequently adjusted on your account.

Families who make payments through the College Direct Debit System (PaySmart) have had their fee payments deductions updated automatically from January this year.

We still have a small number of families who have not paid their 2016 school fees in full and have not made a suitable payment arrangement with the College. It is now a College requirement for these families to set up payments through PaySmart. Reminder statements were sent out last year and if no contact has been made with the College we will be instituting debt recovery process. A 7% administration fee will be applied to these accounts in accordance with the College Fee Policy.

Families experiencing financial hardship with fees may contact the College to book a confidential discussion with the Business Manager or Assistant Business Manager. Copies of your 2015/2016 ATO notice of assessment will need to be provided.

**School Card**

Families who are on low incomes may be eligible to apply for a School Card which provides a significant discount on the fees.

The School Card income thresholds for 2017 are:

<table>
<thead>
<tr>
<th></th>
<th></th>
<th></th>

</table>

School Card approvals are valid only for the year in which approval is given. 2017 School Card application forms have been posted to families who were approved school card holders last year. Forms can also be collected from the front office of Benedict Campus or the College Administration office on The Terrace. Alternatively, application forms can be downloaded from the School Card website http://www.decs.sa.gov.au/goldbook/pages/school_card/schoolcard/

Completed School Card forms should be returned to the College Administration as soon as possible.

Dominic LoBasso, Business Manager

**New TV Commercials**

With the commencement of our enrolment period for 2018, our new TV commercials have started to air this week.

The commercials aim to promote:

- Year 7-12 enrolments at our secondary campus, featuring the experience of Lucy Wood, a Year 12 from the Class of 2016
- The Salesian House boarding facilities, and educational opportunities for students, featuring the experience of Harry Mead, a current boarder from Jamestown
- The transition of Year 7 students to secondary schooling, featuring Marni Freer who will be one of the first Year 7 students starting at Bosco Campus in 2018
- Reception - Year 6 enrolments at our primary campus, featuring the experience of Lincoln Joyce, one of last year’s Reception students (This commercial will be finalised and aired at the completion of the new sensory garden)
St Mark’s Cook Book $25
The College Cook Book’s are still available for purchase from the Benedict and Bosco Offices for a cost of $25.
