Our winter sports teams hit finals time

Grand times in sport and a fairy tale moment. Staff reflection, the Adelaide Show and primary voices celebrate springtime renewal.

The Grand Final Times

September brings out a warm spring sun, which renews us, and it means the winter sporting rosters are coming to their conclusion, which excites us. Over the last couple of weeks we have seen hundreds of St Mark's students contesting sport finals. Balls have been heading towards goals. Contest creates courage. Defenders have been launching themselves desperately and the forwards have been crafting the miraculous. The sounds of whistles and sirens mean triumph and despair. Our sporting students have been supported by a parent, encouraged by a coach and cheered on by team mates. Sometimes they applauded victory and sometimes they take life's lesson about defeat. I feel so grateful for the time and the enthusiasm of our mums and dads, our friends, our senior students. Sport brings us together, it creates memory, builds comradeship, and it develops our character. Every game should be taken absolutely seriously in September and every member of the team should make demands of themselves. What can be achieved is a depth of greatness within. And that happens whether we win or lose. That happens because we wear the colours and have a go and try our best. It's great to play in September. Go St Mark's and congratulations.

Blessing of the Fleet and Debutante Ball

Last weekend I had a chance to share a fairy tale moment with hundreds of St Mark's families and I had a chance to sit in a prayerful silence and connect to a 90 year old legacy. The Port Pirie Italian Community, intrinsically associated with St Mark's College, coordinated the Blessing of the Fleet and the Debutante Ball. It was a time of honour and faith. It was a time of procession and festivity. It was a time to dress up and enjoy an old fashioned formality and glamour. I felt it a privilege to watch this community express themselves with

such joy and dignity. Part of the celebration was the presentation of 11 debutantes and their beaus to the community. The girls dressed in breathtaking beauty and the boys were handsome and noble, carefully attending to their partner. The whole event was based around a 90 year tradition that remembers Italian fishermen and the legacy that they have given to us. It connects to the Church and a simple, beautiful, statue of Our Lady called the Madonna dei Martiri. I enjoyed the almost fairy tale ambience of the presentation of the deb's. My heart skipped a beat when Lexie Camporeale and Braxton Camporeale entered as attendants. It was all a moment of graciousness and purity. I applauded the presentation of our own Melissa Gadaleta who became a life member of the Port Pirie Italian community along with St Mark's mum, and President's wife, the delightful Tina Amato. I enjoyed the most respectful of teasing for Teresa Norton, another St Mark's mum, who was Matron of the Ball and she and Jay looked wonderful in the mother and son dance. I enjoyed the Italian foods and the joyous sharing of fun. I processed on the Sunday with a sense of belonging. I went with the priest and debutantes on a fishing boat to offer blessing. I sat in a Church at Solomontown and knew that I was part of something rich and strong and cohesive. 'Viva Madonna' we said as we finished an extraordinary weekend together.

Staff Retreat

Our staff took a day together to remember some of the deepest values that underpin our vocation to this College. Our 'Retreat Day' was a time of silence and listening, discussion and sharing. We were challenged by ideas around relationship and hospitality from a guest speaker, Julian Kluge. We had a chance to think about the impact we have on one another and the kind of St Mark's world that we want to create. It was a relaxing and strengthening

KEY DATES

experience. A feature was a series of workshops in the afternoon. These included a Memorial Garden construction to honour those from our community who have passed while at the College; a walk to Napperby to deepen connection to nature and the moment. There was a workshop on the Spirituality of Wine (truly, it was serious – wine tasting with biblical references). There was a construction of an Indigenous Garden and a lecture on Trauma in Children. There was a meditation around art and spirituality and a Music creation workshop where a song was composed to farewell the Year 12s. There was a gathering of past staff and an exploration of the History of the College. Our staff valued their experiences. They were touched by prayerful memory, quiet creativity and the value of being together. This school is a place of great hearts. The staff hearts had a chance to be renewed on a day of reflection.

Combined Primary Choir

I was overjoyed to hear some young Benedict students singing at the recent Combined Primary Choir Night. Under the guidance of Mr Isaac Ellis about a dozen Year 4s and 5s

sang with a large group from other primary schools at the Northern Festival Centre. It was a night of joy. They were trying so hard. They were singing so well. They had such enthusiasm and were great ambassadors for the College. I spent the evening toe tapping and applauding and looking over the 200 strong choir identifying the St Mark's children. I was engaged with the dynamism of St Mark's mother, Indra Benson, who was the choir mistress. She has an extraordinary energy and creates a tremendous unity and quality within the ensemble. I was particularly proud to hear Ariel Tee who sang a solo piece with a delightful innocence. It was a pleasure to be in the audience and know that music can be such a force for joy and pride and cohesion.

The Adelaide Show

There was much to celebrate with the staff and students on their recent trip to the Royal Adelaide Show. We experienced success and there was much learning and then generous work by staff. We had about 16 students involved showing our goats. They won a first prize for their class and they worked together in an exemplary manner. I feel very grateful for the work of the Agriculture Team Brett Hay and Brian Hayes who supported the students. There is a wave of enthusiasm for this important learning. I congratulate the McNally Farm team.

Admiring the enormity of God's creation

Blessing of the Fleet

The Blessing of the Fleet is a wonderful tradition for both our Italian and Parish Community. It is a significant event that has been held for 90 years here in Port Pirie. It was wonderful to see the way our students so proudly involved themselves in all the ritual and celebrations held in the week-long festival. The event is a great public witness to our Catholic faith.

Staff Retreat

On Monday our staff gathered at the Memorial Oval Function Centre for our annual Retreat Day. The day was facilitated by Mr Julian Kluge from the Catholic Education Office in Adelaide. Throughout the day staff were both challenged and affirmed in fostering hospitality and peace in themselves, their relationships and their work. He suggested that this is done best when we are comfortable in solitude rather than lonely. Staff were engaged in a range of activities of contemplative activities in the afternoon from art, music, walking, working in our Indigenous garden and building our school Memorial Garden.

Thank you to all those staff members who so willingly and skilfully put together sessions to run for their peers.

Year 6 Retreat

Our annual Year 6 Retreat will be held on Wednesday 25 September. Details have been distributed on Care Monkey to families this week. Please respond to this consent form by Tuesday 17 September

My Team Colours Day

Thursday 26 September

From the Deputy Principal

The last few weeks have seen some truly blessed moments with Excursions, Blessing of the Fleet Celebrations, the International Luncheon, Combined Choir, Basketball Clinics, and Book Week just to highlight a few! As always, the contribution of staff in organising these events is dedicated and thorough and certainly appreciated by the students. Please remember that with so many other changes going on arriving on time before 8:45am and leaving at 3:20pm helps a busy school day to run smoothly.

Duty of Care

As a College the safety of all people in our community is a priority. Supervision in the yard is an important part of our commitment to safety. I would like to point out some reminders about our procedures for keeping your children safe before or after school.

Morning Yard Duty commences at 8:25am. Any student who for whatever reason is on school grounds before this time is to sit and wait in the Quadrangle where they are in the line of sight of the office staff and teachers undertaking their own personal preparation.

After school students who do not have a parents come into the schoolyard to collect them are to wait only in the supervised duty areas to be collected. Supervision is provided at the bus stop, the Pick-up Zone and outside of the Good Samaritan Hall.

Students found waiting in other areas of the school grounds before or after school will be asked to move to designated supervision areas by school staff.

Festival of Music

On Wednesday 4 September, 12 students represented St Mark's College in the Port Pirie Regional Choir at the Keith Michell Theatre.

It has been a pleasure to work with this group of Year 5 and 6 students. An enthusiastic and committed group who demonstrated a passion for singing and performing! This year we have shared many laughs, new learning and an incredible amount of persistence to finally get those song lyrics that were in another language. What a sense of achievement to see them up on stage performing these songs that they worked hard to learn!

Being involved in the choir brings many new and exciting opportunities including, singing skills, developing friendships, gaining self-confidence, feeling like you belong, and most importantly singing brings joy and happiness into our lives! I am also proud of our soloist this year, Ariel Tee. Her role in one of this year's favourite choir songs, 'When I Grow Up' was done excellently.

Classes for Next Year

Planning for 2020 has begun and part of this process is classes. If you have a request based on educational outcomes, please collect a form from the Benedict Office to complete. Please note: requests for specific teachers will not be considered. These are due back by Friday 18 October (Week 1, Term 4).

Uniform Changeover Period

Next week begins the fortnight changeover to Summer Uniform. Please ensure your child/ren is wearing either the Summer or the Winter Uniform, not a combination of both. Hats must be worn for outdoor activities so please ensure your child/ren has one, clearly labelled. Also, PE socks need to be white and cover the ankle.

Assemblies Week 9 and 10

Week 9 will be a very short General Assembly to hand out our Star Salesian and Samaritan awards on Wednesday 18 September in the Good Sam Hall at 12.00pm. During Week 10 we will have an end of term Deputy Awards' Assembly on Friday 28 September in the Good Sam Hall at 11.20am. You are most welcome to attend.

Staff Update

We say 'bon voyage' to Mrs Jane Munday today and wish her and Pete a wonderful time in New Zealand. 4 Red will be taught by Mrs Cassy Walker for the last two weeks of this term.

Mrs Katie Pole,

Acting Deputy Principal, Benedict Campus

We also utilised her role, when singing at the Blessing of the Fleet festival the following Sunday, singing this song, Advance Australia Fair and Immaculate Mary.

I would like to congratulate all of the students involved in the regional choir this year and I encourage any families with students in Years 5 or 6 next year to become involved!

Isaac Ellis, Choir

4 Blue Excursion to Clare

On the steps of St Aloysius Church, Sevenhill

The best bit about the excursion was when we got to Mintaro Maze where we answered difficult questions from the questionnaire. Some of the questions were difficult because some answers were found outside the maze near the colourful garden. Jake Lavis

I was playing Noughts and Crosses with Mr Brown and the little circle I put on the board was in the wrong place. Then I...well, let's say I got pretty mad. AHHHH! Dylan Cagney

The best part of the excursion to Clare was the train. When we went to the train, we had to have lunch first. There were three different trains. There was a red train, blue train and green train. We had to go on a different train each time. We went on rides eight times. Jaida Camporeale

On August 30, 4 Blue went on their excursion to Clare. One of the places we visited was Lakeside Miniature Railway. At Lakeside, there were mini trains that looked like mini vehicles and you could ride them. There were metal bridges, traffic lights and a dark tunnel. They even had an old train station. We had fun. Aiman Ahmad

Jaida and I got lost in the Mintaro Maze, so we climbed to the top of the Look-out Tower to find our way out. The funny part was that we ended up in the middle of the Mintaro Maze. We got out in the end. Chelsey Frkic

At Sevenhill, there is the only winery in Australia that produces sacramental wine. There is a church called St Aloysius Church.

Our guide Geoff, told us a lot about the winery and church. In the church there was an altar rail and the old altar was against the back wall of the Sanctuary.

Just outside the church were some grapevines and under the church was a place called the crypt where the dead priests are buried. The details of the priests are included in the crypt.

William Murdoch

The first place we went to was the winery. We had a great tour with Geoff in the cellar where the barrels of wine were kept. Then we looked in St Aloysius Church and the crypt underneath. It was warm in there. Paige Bishop

SATAC Applications

The first significant deadline of the 2020 university admissions cycle is on Monday 30 September. This is the early closing date for most undergraduate university courses. It is also the closing date for Creative Arts (Drama), Medicine/Surgery, Dental Surgery, Oral Health and Veterinary Bioscience at the University of Adelaide.

The second key date is Monday 2 December. This is the closing date for most undergraduate courses. New applications after this date are not guaranteed equal consideration for selection. It is also the final closing date for Medicine at Flinders University. I remind students their online application is not able to be completed until they are in possession of their SATAC Reference Number. This is a 9 digit number that will be emailed to students along with their preference list once the application process is complete. Key dates regarding offers can be found at: <https://www.satac.edu.au/pages/undergraduate-key-dates>

2019	
Date	Event
5 August 2019	Applications open for courses starting in 2020 (includes all teaching periods).
August to September 2019	Offers will be made during August and September for courses commencing in September to November 2019, and for courses starting in 2020.
30 September 2019	Application fees increase after this date for courses starting in semester 1 2020.
30 September 2019	Final closing date for the following courses offered in 2020, late applications not accepted: Creative Arts (Drama) at Flinders University; Medicine/Surgery (including Bonded Medical place), Dental Surgery, Oral Health, and Veterinary Bioscience at the University of Adelaide
October 2019	Offers will be made during October for courses commencing in November 2019, and for courses starting in 2020.
31 October 2019	Deadline for applicants to pay STAT fees for 2020 admission. An additional STAT fee applies for applications submitted or STAT fees paid after this date.
8 November 2019	Applications close for courses starting in 2019.
2 December 2019	Equal consideration closing date for all semester 1 2020 courses excluding those with final closing dates. New applications after this date are not guaranteed equal consideration for selection.
2 December 2019	Deadline for applicants to pay their application fee and still be guaranteed equal consideration.
2 December 2019	Final closing date for Clinical Sciences/Doctor of Medicine at Flinders University. Late applications will not be accepted.
18 December 2019	Change of preference deadline for semester 1 2020 courses.
20 December 2019	December 20 offer round. Offers will be emailed by 5pm.

Students wishing to apply for TAFE should be reminded that online applications opened Monday 5 August.

Tuesday 19 November is the closing date for TAFE course preferences to be considered for Round 1. Applications after this date will not be guaranteed equal consideration. Further information about key dates for TAFE applications can be found at: <https://www.satac.edu.au/pages/tafe-sa-key-dates>

I encourage any student who requires assistance with their SATAC University applications for 2020 to come to the Bosco Administration Office and make an appointment with Mr Fay or Mrs Forster. Students seeking assistance with TAFE applications are encouraged to schedule an appointment with Mr Gibson or Miss Munday.

Year 12 Trial Examinations

In Week 1 of Term 4, our Year 12 students embark on a week of Trial Examinations. Exam timetables will be distributed to students and families in Week 9 (Term 3) via CareMonkey. With this in mind, I would like to take the opportunity to remind families of the following protocol:

- Exams will take place in P1 and P2
- Students are to arrive 15minutes prior to the start time
- Students will not be able to enter the examination room after 30minutes has passed
- Students are required to attend all examinations and assigned practical blocks. A roll will be taken and absences followed up.
- School uniform should be worn at all times when on Campus
- Copies of the Exam Timetable can be accessed from Bosco Administration
- Students attending school for study must be in full school uniform

I encourage students to plan their time well. This week aims to provide an authentic examination experience that will enable students to learn how to best utilise their time in preparation for their final examinations. Should you have any questions or queries about Examination protocols or expectations please contact Briony Forster or myself at the College on 8633880.

Summer Uniform

On Monday of Week 9 we enter the phase of transition from winter to summer uniform. For the remainder of the term, students will have the option to wear either uniform. Please remember that during this time a complete uniform must be worn, meaning all summer or all winter, not a hybrid version of both. Commencing Term 4, all students will be expected to be in summer uniform, including the school hat which must be worn by students when outside.

A reminder that students are only permitted to wear their PE uniform on timetabled PE days. Students wearing the PE uniform on incorrect days will be sent home to change.

Online Subject Selections

This year we introduced Web Preferences as a means for students to select their subjects for 2020. The introduction of this process has streamlined processes internally and has enabled us to collect data more effectively about which subjects are desired by the students. This means that we can be student driven in the electives we offer, ensuring that we are meeting the academic needs of our students.

I would like to take this opportunity to thank the community for their support of this new initiative.

Mr Marc Forster, Deputy Principal, Bosco

Bosco Campus

Ribbons won at Adelaide Show

Year 9 and 10 Ag students attended the Adelaide Show last week to compete in the Led Wether Goat competition. St Mark's presented eight goats (in a total of one hundred and ninety) and received three ribbon placings.

Bruno (O407), led by Jess Williams, placed 1st in the 45 - 47.9kg (Heavy Weight Export 103D) class (and close to coming Runner-Up Grand Champion); and Gavin (P467), led by Hannah Longmire, placed 5th in the same class. Both goats were bred by Margaret Miller from Kadina.

Trinity (Wylona), led by Eliza Agnew, placed 6th in the 48 - 50.9kg (Heavy Weight Export 103E) class. Goat bred by Paul Hamilton from NSW.

Joel Head, **Farm Manager**

Students leading the goats at the Grand Parade at the Adelaide Show

Ag Students visit Michell Wool

On Thursday of Week 7, Year 11 Agriculture students visited the Michell Wool factory in Adelaide. The students had a tour of the factory and saw first-hand the steps involved in wool processing, including carbonising and scouring.

Michell Wool is the largest wool processor in Australia. They have a plant in China and they are the most well-known wool processing factory in the world.

Elke Holze, **Senior Ag Teacher**

Pamper for Boarders

Meg and Jennah were excited to see the mobile hair and beauty salon

The Boarders enjoyed having their hair washed and styled. Thank you to TAFE SA Lecturer Natina Clarke and her students!

Around the College

Student work recognised in Photo Competition

Congratulations and well done to all of the St Mark's students who entered The Southern Flinders Ranges Photo Festival Student Photo Contest. St Mark's had a number of entries and we are delighted to announce that Year 12 student Amy Burgess was judged as the overall contest winner! Amy has won an Olympus camera and will also have her work, titled 'Best Friends', displayed as part of the International Travel Photo Contest Exhibition held at the Port Pirie Regional Art Gallery from 29 September - 26 October. The exhibition launch will be at 4pm on Saturday 28 September.

A big congratulations also to Ava Cridland and Mae Caspers (both Year 6) who were judged as equal winners in the Primary category for St Mark's. They have each won a Fujifilm Instax Mini camera kit. Well done also to those St Mark's students who received honourable mentions: Izzy Cotton (Year 12), Katelyn Guy (Year 10), Karly Perry (Year 7), Taya Smith (Year 7) and Mae Caspers (Year 6).

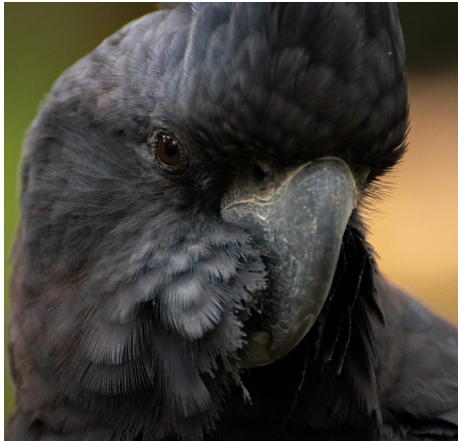

Winning images from each school are featured in the Schools Winners Gallery at <https://sfrphotocontest.com.au/2019-winners-gallery/>. Honourable mentions can also be viewed on the website.

Tickets are still available for both the Primary and Secondary photography workshops being held during the school holidays.

Megan Congdon, **Visual Arts Teacher**

Orders are due to school offices by Thursday 19 September, final orders will be taken at Benedict Sports Day on Friday 20 September.

College Sport

Soccer Season

Our soccer season comes to an end this week with the cup finals being played on Friday night at Byrne Park. Congratulations and good luck to the following teams and their coaches: Under 10 Falcons – coached by Nick Capurso and Daniel Joyce; Primary Wolves- coached by Vinny DeGioia and Marcus Amato and Junior High School team- coached by Ken Fay.

Congratulations to Under 10 Falcons, Primary Falcons and our Junior High School teams who were all minor round premiers. Well done to you all and to your coaches on a great season.

Many thanks to all our coaches this year. Your efforts have been greatly appreciated.

- U/8 – Corey Bellifemini, Matt Mudge, John Lorusso, Anthony Caldarola, Adam Saler and Michael Roros.
- U/10 – Matt Mudge, Anthony Caldarola, Sam Salvemini, Nick Capurso and Daniel Joyce.
- Primary – Vinny DeGioia, Marcus Amato and Adam Saler
- Junior High – Ken Fay

To all our players, we hope you've enjoyed the season and look forward to seeing everyone back playing soccer next year.

Thank you to all parents, friends and older students who have refereed, been linesmen or assisted teams in any way. Thank you to all parents/caregivers for encouraging your children to be involved in sport.

Pia Keain, St Mark's Soccer Coordinator
