

College Uniform

Following consultation with students, families and staff, the College Board has endorsed changes to the uniform from 2025 onwards.

The new Zipped Jacket and House Polo are compulsory in 2025.

A transition period will exist for 2 years between January 2025 - January 2027, where students are able to wear previous or new uniform items (except the Zipped Jacket and House Polo which are compulsory from 2025). From January 2027, students will be required to wear the new College Uniform. All new uniform items are listed in the relevant sections of this guide and are available for purchase from 2025.
