Our Year 6s Charlotte and Mariah sharing a story with their Reception Buddy's Lola and Ivy.

Living the Good Samaritan Tradition

You may wonder where some of the names come from that are associated with St Mark's College. We are a Catholic school that operates with two charisms, the Sisters of the Good Samaritan of the Order of St Benedict, and the Salesians of St John Bosco. In my last newsletter I wrote of the Salesian Strenna which invites us to explore 'the dream that makes you dream'. The Salesians arrived in Port Pirie in 1956 and established Salesian College as a boys school, but prior to their arrival our school already had a strong, inspiring foundation laid by the Sisters of the Good Samaritan.

John Bede Polding, born in Liverpool, England in 1794, was a founder of the Sisters of the Good Samaritan. After his parents died, he was cared for by his uncle, a Benedictine monk. Drawn into the religious order, Polding was ordained in 1819 and arrived in Australia in 1835 as Bishop of New Holland and Van Diemen's Land. When he died in 1877 his funeral was attended by over 100,000 people, a testament to his compassion and love of the Australian people. One of our Houses is named Polding.

In 1857, Mother Scholastica, a Sister of Charity, worked with Archbishop Polding in Sydney to establish the first congregation of religious women founded in Australia – the Sisters of the Good Samaritan. Their work supported destitute women and they sought to provide Catholic education for children. St Mark's College was first established in 1878, but the Good Samaritan Sisters became responsible for the school in 1890 following an invitation from the

Bishop of Port Augusta, Dr John O'Reilly. It was the first foundation of the Sisters of the Good Samaritans outside of Sydney, and apparently, within days of arriving in Port Pirie 'they were teaching over 100 children and enduring the intense heat'. As our website says 'The Sisters established schools at Gertrude Street, Solomontown, Crystal Brook and Risdon Park. For sixty years they carried the torch for Catholic education in Port Pirie'.

The legacy of the Sisters of the Good Samaritan Sisters lives on through the Benedictine tradition at St Mark's College. We all know the story of the Good Samaritan told in Luke 10:29-37, where a man who was attacked by robbers was ignored by passers-by until a Good Samaritan stopped to help and then paid for his care. It is important to remember that Jesus and the Gospel are the inspiration for both our Good Samaritan and Salesian traditions. Now we are in the liturgical period of Lent, students are learning of the value of supporting others throughout the world and raising money for Caritas, but being a Good Samaritan is not predominantly about fundraising; it is about small words and actions that lift and support people daily, in our homes, our school and our community.

We are thankful for the wisdom and teaching of the Sisters of the Good Samaritan, and the Salesians of St Don Bosco, and I hope we are living these traditions authentically.

Dr Sandra Hewson, Principal

Faith and Mission

Ada, Alyssa, Isabelle, Makynli, Connie, Mr Ellis and Natalia served pancakes at Bosco Campus.

Bastian and Frankie enjoying pancakes.

Shrove Tuesday

Shrove Tuesday or Pancake Tuesday is a time of preparation for the traditions commonly associated with the Season of Lent: prayer, fasting and almsgiving.

- **PRAYER:** In WRAP, the Home Groups spent some time in reflection on the significance of the day and praying together.
- **FASTING:** Pancakes are associated with the day as a means of clearing out the pantry and consuming many things that won't be used during Lent. At the Bosco Campus, Mr Ellis was assisted by Year 9 and 10 Religion classes during Tuesday to cook, prepare and serve pancakes to our 7-12 classes. Students braved the strong winds to buy pancakes with a variety of toppings for a gold coin donation.
- **ALMSGIVING:** The money collected amounted to \$173.85 which will make a good start to the College's Project Compassion fundraising campaign.

At Benedict Campus, students came together for an R-6 Liturgy at which Lenten promises were placed in a special basket as an offering to God. Students also learned about the work of Caritas Australia and each class collected a fundraising box for Project Compassion. Several classes made a great to start to their Lenten almsgiving by making gold coin donations to Project Compassion while enjoying some delicious pancakes.

Ash Wednesday

Early on Wednesday morning, our Year 12 Home Groups made their way, by bus, to the Cathedral for an Ash Wednesday Mass. During the Mass, ashes made from palms used on Palm Sunday were blessed and used to mark the foreheads of the congregation. This is done as a sign of our own mortality and an opportunity to reconnect with God through his mercy, forgiveness and love.

Year 12s returned to the College with ashes to pass that blessing on to their fellow students in House Liturgies. In turn, Year 12s marked their House members with ashes on their foreheads in a symbol to connect with their communities. The liturgies were also opportunities to launch the College's Project Compassion fundraising campaign, assisted by Year 9 representatives from each House. The courage and selflessness of these students is commendable, and they have made a great start to their first assessment task on Integral Ecology.

Faith and Mission

Benedict Campus gathered for an Ash Wednesday liturgy led by Deacon Gary Stokes. We reflected on ways we can grow closer to God through the Lenten practices of prayer, fasting and almsgiving. Each student was marked with an ashen cross by their teacher or the Deacon to symbolise the beginning of their Lenten journey.

Year 11 Sacred Spaces Excursion

As part of their Spiritualities, Religion and Meaning (SRM) subject, the Year 11 classes toured some of Port Pirie's major religious buildings. Students remarked on seeing a stark contrast between the sacred spaces of different faiths and denominations, but also common aspects as well.

In the Greek Orthodox Church, one marvelled at the colour and artistic detail in iconography depicting Jesus, Mary and the Saints. They lined the walls, and even the ceiling!

Familiar to many at St Mark's College, the Catholic Cathedral still revealed mysteries and hidden significances in the architecture and religious objects used for worship, prayer and devotion. Students also heard the sounds of the Cathedral Organ, even if only for a short time.

The Port Pirie Mosque (or Masjid) was another place quite unfamiliar to many, however, the welcoming and introduction to Islamic faith and worship allowed students to understand the simplicity of a building where prayer to Allah (God) should be the only focus.

We would like to thank our generous hosts at each site we visited, and intend to make good use of the information we gathered for our first assessment task.

Laudato Si' in Action - Clean Up Australia

In his 2015 Encyclical letter, *Laudato Si'*, Pope Francis implores us to come together to 'care for our common home'.

The earth and all life on it are part of God's creation. We are called to respect this gift. We are responsible for taking care of the world we live in and for sharing all the wonders and resources the earth gives us.

Clean Up Australia Day is an event that provides an opportunity for us to come together as a community and respond to these important Catholic social teachings.

Bosco and Benedict students will each participate in clean-up events around the College grounds during the next week.

You and your family can also get involved by joining a local event or registering to hold your own clean up in a nearby street or park.

The Port Pirie Regional Council is hosting a clean-up on Sunday 3 March, meeting at Solomontown Beach at 10.00am, moving along to Flinders Park and concluding in Memorial Park at 12.00pm with a free sausage sizzle.

While Clean Up Australia is always held on the first Sunday of March, we can make a commitment to care for our environment every day of the year.

For more information or to find a community event near you, visit:

Benedict Campus:

2024 has begun well with our classes taking the first week to establish relationships with peers and teachers. Each class has formed their own class routines as well as exploring what our school expectations are. It is obvious when I walk around the school that each class is settled and calm. This is greatly due to the dedication each teacher has to their profession and I thank them greatly for a wonderful start to the school year.

Each year is important for your child's learning journey, however one of the biggest years of growth is from our Reception students. Each class settled well allowing teachers to form strong relationships with their students and display their care.

This week I have been lucky enough to spend some time in Reception Yellow to find out how their first month of school has been going. These Reception students have been busy learning what school life at St Mark's College is all about. They have learnt their class routines and display them very well by making good choices for their learning. When I asked the Receptions what they have been doing in their classroom Kooper told me "we are learning about numbers and letters". The Receptions have begun their InitialLit program where they will learn the essential core knowledge and strong foundations to become successful readers and writers.

Heidi told me that they have been doing lots of playing and learning and at school "We always share".

Henry and Alexander told me they are loving going to OSHC after school. The new Director Tara has lots of fun activities for students.

Lawson is enjoy PE with Miss Hier. His favourite thing is Pop Up Tag.

Ava told me they have been learning about feelings. She was able to tell me that there are "Blue, Green, Yellow and Red". The Receptions have been learning about the Zones of Regulation. This program is designed to teach students about self-regulation and emotional control. Miss Lethbridge is teaching her class that they experience a vast range of emotions throughout their school day, and what each zone feels and looks like. Ava said "we want to be in the green zone most of the time, however it is okay to be in the blue zone and have a good cry sometimes".

Continued over the page

Key Dates and Campus Information

Learning what is expected at school is a huge element to starting school. These Receptions were able to tell me some of our school rules:

- If someone hurts you tell a teacher.
- If you see someone hurt ask if they are okay
- No running, we use walking feet when we are inside.
- No yelling inside, only yelling outside when you are playing.
- Don't go past the yellow line
- When sitting on the floor, we show listening behaviours (looking, listening, eyes looking, lips together and hands to yourself).
- We always use safe hands.
- When we finish our work we put the rubbish in the bin, pack up the pencils and push our chairs in.

Mrs Sarah Freer, Deputy Principal

Out of School Hours Care

Meet our new Director, Tara

I would like to officially introduce myself as some of you may have noticed me around the last couple of days!

My name is Tara and I will be the new Director of OSHC at Benedict moving forward.

I started as an educator with St Mark's Lutheran OSHC (Mount Barker) in 2014. I have had previous Director positions, the most recent being at Whyalla Town Primary School OSHC. There have already been some faces here that I have recognised from my old OSHC - which is awesome!

I have three children myself - two teenagers and my youngest is almost seven. My hobbies include crafts, camping, fishing, music, video games and movies.

If you have any questions, feedback or concerns - or just want to have a chat - please come and introduce yourself! I will be adjusting to new programs and routines as well as learning lots of new names and faces so please bear with me while I am getting used everything!

Hope to meet you all soon!

Tara Crowhurst, Director, OSHC

OSHC > Indi and Jay enjoying a laugh after school with Tara, the new OSHC Director.

Bosco Campus:

NAPLAN

Parents of Year 7 would have received communication about the NAPLAN assessments for students in Years 3, 5, 7, and 9, scheduled from 13–25 March 2024. The specific schedules will be communicated closer to the date. If you have any questions or concerns regarding NAPLAN please speak to your child's HomeGroup Teacher in the first instance and then Mrs Kate Elmendorp our Year 7-9 Leader of Learning.

Leadership

Our Year 9-12 leaders participated in a formation camp at AFL Max last week. They spent time working on strengths, goal setting, connection, communication, problem solving and challenges. I look forward to seeing their contributions to building community throughout 2024. Special thanks to Mrs Jane Gibson and Mrs Megan Congdon for accompanying the group.

Key Dates and Campus Information

Opportunities and Plans to Thrive

As a College, staff collaborate regularly to ensure learning programs are engaging and challenging. Each educator has set themselves personal goals around Catholic Identity, Teaching and Learning and Student Wellbeing. Our teaching team work to plan and offer a range of rich experiences for students. Our students have also set personal goals for the year. It is pleasing to see senior students taking up the opportunity to access the Bosco Centre before and after school to complete their learning. The number of students accessing the Student Hub Monday to Thursday in the afternoon continues to grow. Here students can catchup on missed lessons, complete homework or access supports from Mr Rutjens.

Sports Day Next Week

Sports Day is scheduled to be held next Friday March 1. The a long-range forecast is for some hot weather next week. In the event the temperature is classed as extreme on the Friday, Sports Day will be rescheduled to Friday March 15. Should Sports Day be postponed this will be communicated as early as possible. Reminder to all families that this is a compulsory school day. If you have any concerns around your child's participation in the day please communicate with the relevant Home Group teacher. We would love to see lots of family and friends come along and be a part of the day. There is a BBQ and cake stall available to purchase food and drinks in addition to the school canteen.

Mrs Katie Pole, Deputy Principal, Bosco Campus

College:

College Board Nominations

Our College Board is an advisory body supporting the Principal in the effective governance of St Mark's on behalf of the Bishop of the Diocese of Port Pirie.

Members of the Board have a delegated responsibility from the Bishop for the overall well-being of St Mark's College. The Board ensures we operate within the policies and guidelines of the South Australian Commission for Catholic Schools, promotes educational excellence, exercises financial stewardship, ensures compliance with legal obligations and fosters harmonious and positive collaboration within the school community.

One Board member is concluding their service to the Board at the AGM in May and I sincerely thank Tracey Dear for her support and contribution to the Board. This means we are seeking nominations from members of College community to join the Board. Potential members of the College Board should:

- Possess an enthusiasm for and willingness to promote the mission of Catholic schools;
- Bring to the Board their gifts and skills
- Desire to give service to their school community;
- Have an ability to work cooperatively and constructively with all Members of the Board;
- Be prepared to undertake formation;
- Uphold confidentiality in Board matters and not pursue individual agendas;
- Have sufficient time for Board duties;
- Have a current police check clearance.

I welcome a conversation with you if you are interested, and encourage you to nominate for the College Board. Nominations, stating your name, experience and why you would like to join the Board, should be submitted to Lisa Manners:

➡ lmanners@smc.catholic.edu.au Board Secretary, by Monday 8 April.

I look forward to hearing from you!

Dr Sandra Hewson, Principal

Benedict Campus

YEAR 4 > Year 4 students have used oil pastels and watercolours to create their own 'angry emu'. Pictured are Paxton, Maya, Lincoln and James.

WELCOME > We welcome Kade to Little Lions, he is pictured with his Buddy, Jett.

WELCOME > We welcome Archer to Little Lions, he is pictured with his Buddy's James and Bailey.

YEAR 3 > Year 3 students are learning about the colour wheel. They used this knowledge to decorate the first letter of their name. Pictured are Amahli, Charlie, Dillon and Emerson.

BREAKFAST CLUB > Breakfast Club is held on Wednesday's 8.20 - 8.40am in the Good Samaritan Hall. Pictured are Lana and Macy enjoying some toast.

YEAR 4 > Year 4 students have planted their Hairy Head plants. We can't wait to see them grow!

Bosco Campus

AGRICULTURE > During the first few weeks of school, our Agriculture students have been busy at McNally Farm picking, weighing, and pressing grapes for the 2024 Vintage. Students have picked over 700kg of grapes which will make approximately 450 litres of wine!

LEADERSHIP > We are excited to see our Bosco Campus Captains establish themselves as leaders in our community this year. To assist them in growing in this role, our leaders attended the Student Leader and Wellbeing Camp held at AFL Max, Adelaide. The students gained skills in goal setting, communication, and active problem-solving... and had a lot of FUN!

ATHLETICS > There were two athletics records broken today at the College:

U16 Girls 1500m
Dane' Maritz 5.22.00
(J Ganley 5.53.00 in 2019)

U13 Girls 800m
Sloan Chivell 2.57.00
Lexi Farr 3.00.00
(A Wheaton 3.02.00 in 2022)

VISUAL ARTS > Congratulations Meteha from our Class of 2023 whose work has been selected for the SACE Art Show which will be held 19 March - 12 April at the Light Square Gallery in Adelaide.

CONGRATULATIONS LEANA >

It was great to have Leana Nannapaneni drop in and say goodbye to everyone at the start of the year before she headed off to Spain. Leana has been accepted into the Rafa Nadal Tennis Academy and will attend the International School there.

Best wishes Leana, we look forward to watching your tennis journey progress.

College

NAPLAN

Hi, my name is Kate Elmendorp and I am the Year 7-9 Leader of Learning at Bosco Campus. I wanted to talk with you about NAPLAN which is coming up in the next few weeks.

The National Assessment Program – Literacy and Numeracy (NAPLAN) which is coming up in March, is an annual assessment for students in Years 3, 5, 7 and 9.

NAPLAN can be met with some anxiety from students and families. We want to reassure our community that we are here to support you through the process.

If you have a child in Years 3, 5, 7 or 9 we encourage you to check in with them to see how they feeling about NAPLAN. If your child is feeling nervous or anxious, don't hesitate to contact their class teacher at Benedict, Home Group teacher at Bosco or myself.

Click here to hear more about NAPLAN and how we will support you and your child at St Mark's College:
<https://youtu.be/yRtXkZOkEBY>

Mrs Kate Elmendorp,
Leader of Learning, Year 7 -9

NAPLAN

National Assessment Program - Literacy and Numeracy Information for parents and carers

- All students in Years 3, 5, 7 and 9 in Australia do NAPLAN tests in March each year.
- NAPLAN tests students' skills in reading, writing and maths.
- The test questions are presented in Standard Australian English dialect.
- Students read some of the questions and listen to others with headphones.
- The tests will get easier or harder, depending on how students are going in the test.
- Students do four different tests. The names of the four tests are:

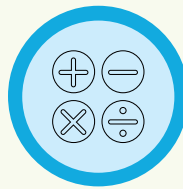

Writing

Reading

Conventions of language
(spelling, grammar and punctuation)

Numeracy

- Students in Year 3 will do the Writing test using pencil and paper. Year 3 students will answer the other test questions on the computer.
- Students in Years 5, 7 and 9 will answer all their test questions on computers.
- Teachers will help students get ready for NAPLAN tests.
- Schools will get their students' results. The school will then give parents/carers a report showing their own child's results.
- Parents/carers can talk to the teacher about these results.
- NAPLAN shows how students are going all over Australia. People who work in the Australian Government, state and territory education authorities and schools use NAPLAN results. The results let them see which schools are doing well and which schools might need help.

Scholarship recipients Nathan Brook and Sarah DeGioia with Dr Sandra Hewson and Mrs Nichhi Marden.

Transition to Teaching Scholarship

We are excited to congratulate our Educational Support Staff who have been awarded a Transition to Teaching Scholarship thanks to Catholic Education South Australia.

Well done to:

- Nathan Brook, St Mark's College, Port Pirie (Bosco Campus)
- Sarah DeGioia, St Mark's College, Port Pirie (Benedict Campus)
- Scarlett Thoman, St Mark's College, Port Pirie (OSHC)

All three recipients are also Old Scholars' of the College, so it will be wonderful to watch their transition from student, to educator, and finally, to teacher!

College

Inclusive Education

Sophie Donnellan, R-6 Inclusion and Diversity Leader

Hello, I'm Sophie Donnellan. I am qualified in both Primary Education and Disability and Development Education. Bringing seven years of teaching experience at St Mark's College, I feel privileged to have worked closely with many wonderful families and students during this time. Additionally, I spent 18 months as a Developmental Educator at Thrive Health Centre, where I deepened my skills and passion for advocating diversity in all its forms. During this time, I worked closely with individuals and families, providing strength-based support and empowerment as they worked towards their goals. These experiences have prepared me for my new role as the Inclusion and Diversity Leader, where I am excited to embrace the uniqueness of each individual. I am incredibly eager to collaborate with students, families, staff, and other stakeholders to support the growth, inclusion, and wellbeing of our students.

Talia Sale, 7-12 Inclusion and Diversity Leader

Hi, I'm Talia Sale, new Inclusion & Diversity leader at Bosco Campus. I am excited to step into the role this year and look forward to working closely with a range of students, their families, and staff. I have held several Pastoral Care roles, and most recently was the Year 9 Year Level Coordinator at St Mark's. Having worked in a range of schools and with students from Kindergarten to Year 12, I have had opportunities to work with families to develop and implement plans and programs to support the learning and wellbeing of students. I am passionate about creating an environment where every student has the tools to feel safe, confident, and able to learn within the classroom. I am looking forward to working with students and their families to create an optimal learning experience for all, allowing growth in all aspects of the student's being.

Our Shared Vision of Inclusive Education at St. Mark's College R-12

At St Mark's College, inclusion and diversity are not just "buzz words" they are foundational principles guiding our educational ethos and interactions with students and families. We firmly believe in welcoming and supporting every child on their learning journey, irrespective of their background, abilities, or challenges. Our approach to inclusion entails celebrating the diverse strengths, perspectives, and aspirations that each student contributes to our community.

At Benedict (R-6), we've kicked off the year with a strong focus on building meaningful relationships with both families and students. Teachers and staff are actively engaging with students in classrooms to gain valuable insights into their individual needs. We're also collaborating closely with families and networking with Allied Health professionals to ensure a holistic approach to support. This collaborative effort establishes a solid foundation for consistent, collaborative, and comprehensive student support. As the term progresses and we learn more about our students' individual needs, we'll introduce targeted intervention programs for groups of learners to strengthen their literacy and numeracy skills. Some interventions will align with whole-class instruction, while others will be tailored to meet specific individual goals.

At Bosco (7-12), we have begun the year supporting students and their families to make a positive start to the year through building connections with one another. Staff have been working to get to know the students, ensuring they understand their strengths and needs. As students see up to seven different teachers a day, meaningful relationships are paramount to success at school. We have been working with staff to empower students in the classroom, to learn, to be successful, and to know who they are and where they belong. As we continue to build these connections and understand our students better we will begin to introduce some targeted interventions for both literacy and numeracy. These will be focussed on building student confidence and look to assist in student understanding.

Please feel welcome to reach out to either of us if you would like to chat.

Mrs Sophie Donnellan
